PRESENTATION

Annual Financial Audit for Fiscal Year Ended June 30, 2019

Chair Stack asked Dr. Ally to review the annual financial audit for fiscal year ending June 30, 2019.

Dr. Ally reported Crowe LLP completed the College’s audit and it was their fourth year of a second five-year contract to complete the audit. The Audit Committee met on September 25, 2019, with the auditors to review the report details and further reviewed the report at the October 2, 2019 Committee of the Whole meeting. The audit report findings included all clean opinions with no material weaknesses or significant deficiencies. No management letter was issued. As of June 30, 2019, the total assets were $499 million, the total net position was $211 million, and the change in net position for fiscal year 2019 is $4.7 million.

STUDENT TRUSTEE REPORT

Student Trustee Santafe-Zambrano shared that at the Association of Community College Trustees (ACCT) Leadership Congress he would volunteer as a student trustee ambassador and be part of the student advisory committee. At the Leadership Congress, he looks forward to working with the staff as a volunteer, networking with others, and sharing information about the initiatives at Harper College.

Further, he reflected that he enjoyed the Strategic Plan Dialogue Session, Education in the 21st Century, where he found the concept of bandwidth of students very interesting. He attended this session with two other trustees and found it very meaningful. Lastly, he reported four new clubs have been established this semester.

FACULTY SENATE PRESIDENT’S REPORT

Faculty Senate President Dave Richmond expressed his and the faculty’s gratitude for the many events the members of the Board of Trustees have attended this semester. The faculty appreciate their attendance and their support for the many events. One such event was the dedication of the Harper Prairie in honor of Craig Stettner. The ceremony was wonderful and attended by some of the trustees, Craig Stettner’s family, and the campus community. Lastly, the faculty appreciated Dr. Proctor listening and scheduling a meeting to discuss dual credit.

PRESIDENT’S REPORT

Learning and Career Center Student Success

Dr. Proctor began the President’s Report by echoing Professor Richmond and thanking everyone for their investment of time to participate in the many campus events including the Strategic Plan
Dialogue Sessions. Attendance at the dialogue sessions has been good and the information shared will provide the College a basis to develop a strategic plan. The Board will have the opportunity to provide their feedback in December.

Further, Dr. Proctor shared the “Finish Strong Campaign,” where students who received an email message, opened the message, and met with their assigned advisor had an 80% spring to fall retention rate, which is 20% higher than the overall average population. This campaign will be repeated with the intent of obtaining similar results.

The Assessment Conference and Diversity Symposium were two activities in the last month where faculty and staff participated in enriching experiences helping us to examine who we are, who we want to become, and who we aspire to be.

Lastly, Dr. Proctor reported she looks forward to attending the ACCT Leadership Congress and presenting on the success stories of open education resources with Member Kelley.

Dr. Proctor asked Dr. Joanne Ivory, Dean of Career and Technical Programs; Jennifer Brennan, Supervisor at the Learning and Career Center; and Brygida Szoepe, Harper College student, to present an update on the success initiatives at the Learning and Career Center (LCC).

Dr. Ivory presented an update on LCC and the Career and Technical Program Advisory Committees. Partnerships with over 300 businesses, municipalities, non-profits, schools, and associations inside industries help advance the programs at Harper. Advisory Committees at Harper provide input into programs and course development; offer internships and employment opportunities to students; share industry requirements; and members donate tools, funds, and equipment. She also mentioned members of the Advisory Committees have secured grants, scholarships, and equipment for programs. Additionally, two former students that went on to receive their four-year degrees are now serving on Advisory Committees.

Partnerships at LCC include representatives from local business, government, and social service organizations. Some partners are Wintrust Bank, Wheeling High School, Prospect Heights High School, and Wings. She then introduced Jennifer Brennan, supervisor at LCC.

Ms. Brennan began by stating LCC places a special focus on career programming, adult learners, and community partnerships. She then introduced Brygida Szoepe, who she has known for three years and found to be remarkable not only for her character but for her professional dedication to early childhood education.

Ms. Szoepe began by thanking everyone in attendance and everyone at LCC who has supported and guided her. She continued by sharing
that she is 54-years-old, a student, mom, wife, and full-time employee of the Early Childhood Developmental Enrichment Center (ECDEC) who immigrated from Communist Poland 30 years ago. She reflected on her journey from Poland to the United States and her experiences since being in the United States.

After working for seven years in a classroom at ECDEC she became a Parent Educator providing a link between the school and home. The program connects parents and families to LCC, where parents learn English and can take citizenship classes. She shared that all the staff at LCC are patient, kind, nonjudgmental, and are welcoming. A year ago, Harper began an Early Childhood certificate program at LCC, and Kristen Ford, director from ECDEC encouraged the staff to enroll. At age 53, she signed up for her first college class in the United States and she worried about her English proficiency, managing work, school, and home. She thanked Gorette De La Rosa for helping her sign-up for classes and to apply for Educational Foundation scholarships. She received the ACE scholarship. She further reflected that her teachers Kathy Nikolai and Diana Cincinello were passionate, caring, and patient. She attributed her success to the Adult Education support with Integrated Career and Academic Preparation System (ICAPS) and the Writing Center on Harper’s main campus. With the help of Lauren Chilvers, she received additional scholarships. Ms. Szoepë is now taking her third class. She wants to set a good example for her children by showing them that continuing education is possible at any age and that earning this certificate will advance her in a career she loves.

She closed by thanking everyone and shared she has been blessed and supported by the people she has met during her journey at Harper.

Chair Stack thanked Ms. Szoepë for sharing her story and congratulated her for her achievements and courage.

Board Committee and Liaison Report

Alumni Liaison Report: Member Mundt reported on both upcoming and prior events. The 2019 Harper College Distinguished Alumni Awards will take place on Tuesday, October 29, 2019. The event will celebrate Harper’s Distinguished Alumni and Outstanding Recent Alumni. Visit the harpercollege.edu/alumni website to learn more or register for the event. The event is an excellent opportunity to hear the personal success stories of people who have attended Harper and their personal successes. Member Mundt encouraged anybody who can attend to do so, because it really is all about what Harper means to the community.

The Harper Alumni Program will kick-off the third annual Alumni and Friends Virtual 5K event, running from October 1 – November 1. This virtual event allows participants to run a race on their own time and own pace. They are encouraged to share their results and post photos to social media using the hashtag #harperalumni. New in 2019, participants can join in one of several campus running activities hosted by Campus Recreation and Wellness, including a Virtual 5K kickoff running event on October 10, featuring speaker Jim Inman, owner of Elite Athletic Development and Distinguished Alumnus. Registration is $25. Visit harpercollege.edu/alumni to register and learn more.

Finally, on September 25, the HOPE Giving Circle hosted Women in the Room: Fall Flavors and Florals. Nearly 40 attendees learned about the HOPE Giving Circle and took part in a floral design course courtesy of Harper’s Continuing Education Program. The HOPE Giving Circle’s mission is to provide scholarships, mentoring, and opportunities to female students at Harper and beyond.

Foundation Liaison Report: Member Hill echoed Member Mundt’s report and shared the importance of the Distinguished Alumni program that recognizes young alumni. The program has done a great deal to further the story of Harper and they have taken upon themselves to grow their own giving back to the College. The next Foundation Board meeting is December 10.

ICCTA Liaison Report: Member Kelley reported the next ICCTA meeting is November 8 and 9 in Lisle and the seminar is on Diversity, Equity, and Inclusion. The ACCT Leadership Congress begins on October 16 in San Francisco where he finds many of the sessions to be captivating. The new pathways to student success track and the distance learning and alternative education model track have sparked his interest. He indicated he would be reviewing the sessions in more detail and that any trustee may ask him questions about specific sessions.
Grants and Gifts Status Report

Current status of operational public and private grants to the College, and status of cash donations and in-kind gifts to the Educational Foundation, as outlined in Exhibit X-B.3.

Consortium, Cooperative and State of Illinois Contracts Purchasing Status Report
