FAST TRACK

Maria Coons, Maggi Franks

Students: Jennifer Mogytych, Roxanne Boersma

Adult Learning

Malcolm Knowles – 4 assumptions

- 1. Teacher is not the sole expert
- 2. Bring experiences to the classroom
- 3. Ready to learn
- 4. Problem solving and application

Importance to Harper

80% of current students are from non-traditional age categories

High school populations declining – more enrollment will come from adults

Recognized in 2004 when the program was launched

Key Features for Student Success

- Cohort model
- Blended and accelerated learning
- Pre-arranged schedule ("grid")
- One night/week
- Centralized location at HPC
- Support services

Current Programs
