Start Smart Update

What is Start Smart?

What is the impact of Start Smart?

What are the next steps for Start Smart?

What is Start Smart?

A Student Experience Defined by Common Features

1. Educational Planning
2. Academic Support Services & Strategies
3. Academic and Intellectual Engagement

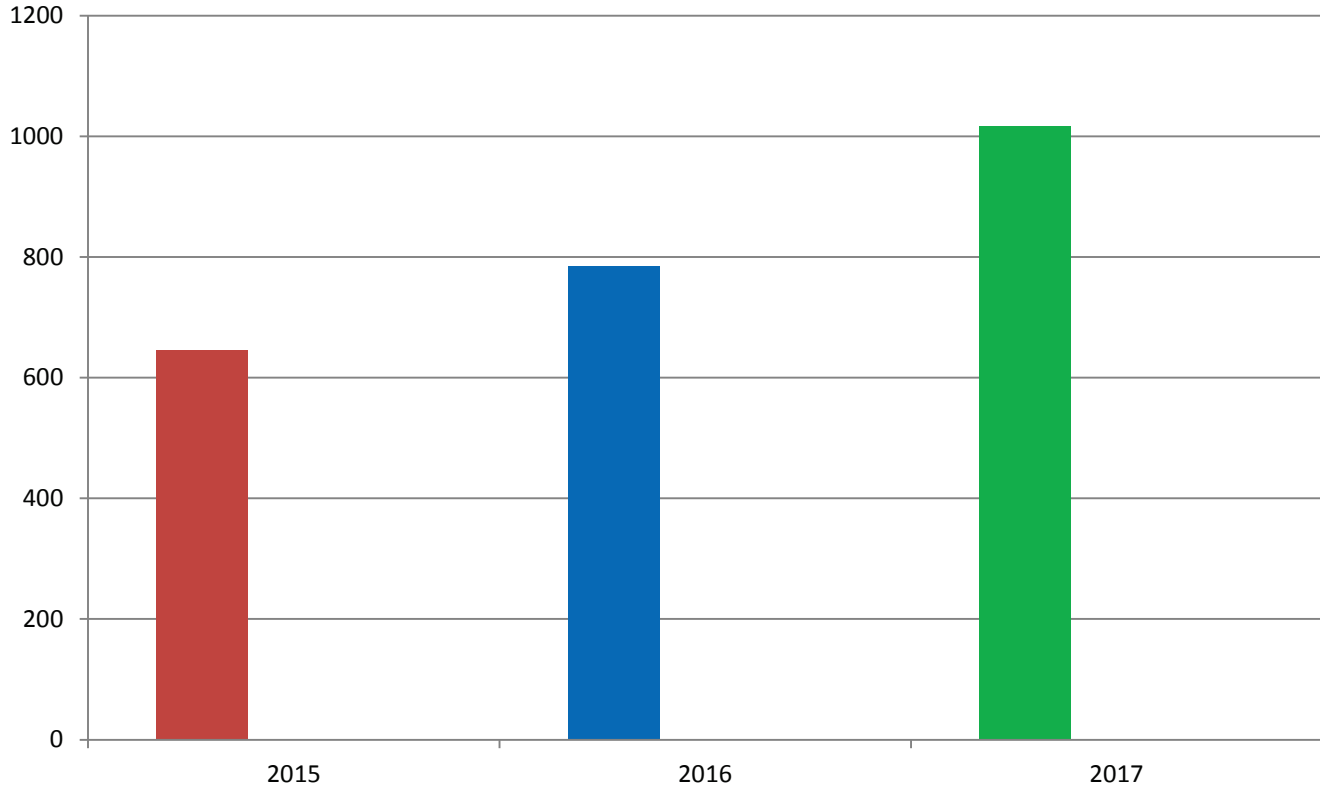

1. *Ensure that all students pursuing a credential complete a first year class or experience that results in the development of an educational and career plan that will guide them to completion.*

Start Smart and Areas of Interest (AOI)

- Alignment of Start Smart options with the Areas of Interest.
- Increased Start Smart options for students.
