

I am THE  
*COOL*  
Stratasy 3D  
Printer  
Harper  
needs to get!

I'm Prusa and love  
working at the  
MakerSpace and  
Entrepreneurship  
Center @ Harper  
College.....wish I  
had some new  
friends.....

I 3D-  
print  
**LARGE**  
items!

**We love to show off some of what we have made....so far.....**

# NACCE Pitch Update

- National Association of Community Colleges for Entrepreneurship
- Annual Conference in Newport Beach California
- Student Entrepreneurship Challenge
- Pitch for the Trades to Ratcliffe Foundation

# Student eShip Challenge

## STUDENT ENTREPRENEURSHIP CHALLENGE: SOLUTIONS FOR SUSTAINABLE IMPACT

The overarching goal of this competition is for students to work on solutions to local challenges that relate to the [United Nations Sustainable Development Goals](#), specifically [Goal #4: Quality Education](#). This competition provides high quality learning content on HP LIFE, professional development for NACCE members and their students, dedicated coaching and mentorship, the opportunity to win prize money and a trip to California!

# Business and Entrepreneurship Club

# Our Solution to Quality Education

- Create in class experiential learning through class projects.
- Opportunity for students to have exposure to local small businesses and non-for-profits
- Companies have business issues that they are having solved.

# Online Pitch

- Anny, Nathan and Jonathan participated
- Competing with 20 other college teams
- Congratulated on being concise, well put together pitch and having an “ask”
- Made it to the top 5 and a free trip to California NACCE conference

# Practicing pitching at NACCE

Collecting monopoly money  
and some even real \$

# Student Experience - Pitching

- NACCE support throughout the conference
- Pitching practices
- Support of Harper College

# After the formal pitch competition

# Student Experience - Conference

- Networking
- Break out sessions and speakers – learning about entrepreneurship
- Meeting other teams
- Watching all pitches
- FUN!

# HCAM

## Additive Manufacturing Certificate

→  
**HARPER COLLEGE**

Dr. Travaris Harris  
Dr. Joanne Ivory  
Aaron Kolb  
Marie Lapidus  
Jeff Moy  
Michele Smith

# Our Pitch for the Trades to Ratcliffe Foundation

- The 3D printing industry is emerging in Manufacturing
- Harper College will offer an Additive Manufacturing program with industry certification from Stratasys
- We need money to buy industrial 3D printers to be able to offer the certification

# Additive Manufacturing Certificate

- Meeting and gathering info on programs around the nation – few
- Attended the Additive Manufacturing event at mHub - #1 product innovation space in the nation – 3D printing space is very new
- Looking to add corporate partners to the program – opportunities for student jobs

# Report on Progress

# Pitch for the Trades

## We won \$20K

# THANK YOU
