Congratulations!

The image features the word "Congratulations!" written in a large, elegant, black cursive script. The text is centered on a white rectangular background. Surrounding the text are several five-pointed stars of varying sizes and shades of gray. Some stars are solid black, while others are light gray. The stars are scattered around the word, with some appearing to be part of the cursive's flourishes. The entire graphic is set against a dark blue background with a vertical light blue stripe on the right side.
