Summer 2000

DESTINATION: CREDIT

## About the Cover

# Destination: Credit

Summer at Harper is an excursion to achievement.

Whatever your academic journey—associate or baccalaureate degree, or viable career skills—Harper can help you reach your goal. Credit classes during the summer session include 50+ disciplines that run the gamut from biology to media writing to the principles of management.

You can shift into gear with a 100 level course; take an extra class to lighten that backpack load in the fall; or put it in cruise control and take the gen eds you need.

Take a right turn to:

Flexible scheduling  
Affordable tuition  
Convenient location

And, just to keep you from saying, "Are we there, yet?," we have

**Flex Ed options:**  
Internet, telecourse and open entry classes—even a macroeconomics class that you can complete in just 13 days.

Remember, whatever your academic destination, getting there is half the fun! Join us for a great trip.

## What's New!

Bring your resume! Community residents, Harper College students and alumni are invited to meet with area employers looking to fill entry-to mid-level positions.

## President's Message

*Each of us maps our own journey and defines our own personal and professional goals. Reach your academic destination by earning credit toward a degree or certificate, taking classes to complete general education requirements or upgrading your skills for the work environment.*

*The wide variety of options and the shared commitment of the Harper community are vital to the achievement of your goals. We hope you will take advantage of the many opportunities we offer.*

*Have a safe and pleasant summer.*

**Dr. Robert L. Breuder**  
President  
William Rainey Harper College

## Mission Statement

William Rainey Harper College is a comprehensive community college dedicated to providing excellent education at an affordable cost, promoting personal growth, enriching the local community and meeting the challenges of a global society. The specific purposes of the College are:

To provide the first two years of baccalaureate education in the liberal and fine arts, the natural and social sciences and pre-professional curricula designed to prepare students to transfer to four-year colleges and universities; to provide educational opportunities that enable students to acquire the knowledge and skills necessary to enter a specific career; to provide continuing educational opportunities for professional job training, retraining and upgrading of skills and for personal enrichment and wellness; to provide developmental instruction for underprepared students and educational opportunities for those who wish to improve their academic abilities and skills.

Essential to achieving these purposes are all of the College's resources, support programs and services.

# Things you should know

## Eligibility

All high school graduates or the equivalent are eligible for admission to the College. A non-graduate 16 or 17 years of age who has severed his or her connection with the high school system, as certified in writing by the chief executive officer (or designee) of the high school district in which the student has legal residence, or a non-graduate 18 years or older may be admitted if he or she demonstrates the capacity to benefit from programs and courses offered by the College. To be placed in some programs in the College, the applicant may be required to meet additional requirements as specified by that program.

## College Credit from Other Institutions

Students seeking a certificate or degree from Harper College and wanting to transfer credits from another college should complete a Transcript Evaluation Request at the Registrar's Office, Student and Administration Center, A213. Students must have an official transcript from each college attended sent to Harper College's Admissions Office. Students wishing to use previous college level math, English, and other credits to fulfill Harper course prerequisites must bring transcripts or grade reports to registration and to the first day of class. Students do not need to request an evaluation for this purpose. Questions about previous college courses can be directed to the Registrar's Office, 847/925-6500.

## Testing

Assessment testing is required of any student entering his or her first college level English or math course and must be completed prior to registration. The full assessment includes writing, reading and math testing, and it will take approximately two hours to complete. Photo identification is required. Please check the "Guide to Student Services" for Assessment Center hours.

## Illinois Articulation Initiative (IAI)

If you are a new student starting at Harper summer 1998 or later, you may be eligible to participate in a state-wide agreement called the Illinois Articulation Initiative (IAI) designed to help Illinois college students transfer easily. By earning the 1998 AA or AS degree at Harper, you will have completed a General Education Core Curriculum which is transferrable to more than 100 participating Illinois colleges and universities. Or, if you are not looking to earn a degree before transfer, you can complete just the Core Curriculum at Harper and know that your general education courses will transfer to the other participating colleges and universities. You can get more information from the Center for New Students and Orientation, 847/925-6208, or visit the IAI web site at <http://www.iTransfer.org>.

## Limited Enrollment Programs

Enrollment in certain career programs requires admission to the College and fulfillment of specific requirements for admission to the program. (Contact Admissions Office, 847/925-6765 for details.) These limited enrollment programs are Cardiac Technology, Dental Hygiene, Emergency Medical Technician, Nursing (RN and LPN) and Certified Nursing Assistant. Some courses and sections which are offered only to students in limited enrollment programs are not listed in this course schedule.

## Hope Tax Credit

For the first two years of college, you or your parents can claim a new nonrefundable 100 percent tax credit up to \$1000 of tuition and fees per year; and you can claim a 50 percent credit for the next \$1000. This tax credit allows you to claim tuition and fee expenses if you enroll in a degree or certificate program for at least six credit hours.

## Lifetime Learning Tax Credit

This credit will be permitted for subsequent education. This is a 20 percent nonrefundable tax credit up to \$5000 of direct educational expenses paid. Other tax benefits may be available to students and families. Additional information on these benefits and other sources of funding is available from the Office of Student Financial Assistance, Student and Administration Center, A364, 847/925-6248.

## Auditing a Course

A student who wishes to audit a course will be required to pay full tuition and fees and must obtain approval from the instructor, department chair or dean before enrolling in the class. Registration for audit status may be completed only during final registration the first week of classes and must be the original enrollment in the class. Students taking the class for credit are given priority.

## College District

Harper College District 512 serves the residents of High School Districts 211 (Palatine and Schaumburg Townships); 214 (Elk Grove and Wheeling Townships); and Barrington Unit School and District 220. Communities within the College district are Arlington Heights, Barrington, Barrington Hills, Buffalo Grove (in area of H.S. District 214), Carpentersville (in area of H.S. District 220), Deer Park (in area of H.S. District 220), Des Plaines (in area of H.S. District 214) Elk Grove Village, Fox River Grove (in area of H.S. District 220), Hanover Park (in area of H.S. District 211), Hoffman Estates, Inverness, Lake Barrington, Mount Prospect, North Barrington, Palatine, Prospect Heights, Rolling Meadows, Roselle (in area of H.S. District 211), Schaumburg, South Barrington, Tower Lakes, and Wheeling.

## College Hours

Offices will be open for business Monday through Thursday, from 8:00 am to 8:00 pm, Friday from 8:00 am to 4:30 pm and Saturday from 9:00 am until 12:00 noon.

## Summer Hours

Effective June 9 through August 11, the campus is closed Friday, Saturday and Sunday.

## Cancellations

Unfortunately, when too many people wait until the last minute to register, classes may be cancelled. To avoid disappointment, please register early.

## Special Notes

Students who are physically disabled should call 847/925-6266 for registration information.

Medical parking is available for students who have "handicapped" license plates or State of Illinois or township-issued "handicapped" parking cards. For further information contact Health and Psychological Services at 847/925-6268.

Junior, senior and graduate level extension courses are offered by four-year colleges and universities on the Harper campus and at the Harper off-campus locations.

Changes in available classes made after publication of this course schedule and prior to registration will be listed on the website, [www.harper.cc.il.us](http://www.harper.cc.il.us), and on the master schedule in the Student and Administration Center and other locations on campus.

## Continuing Education

To register for Continuing Education courses, consult the Continuing Education schedule that will be mailed to your home in early May.

## The Family Educational Rights and Privacy Act of 1974

### Annual Notice to Students

The following notice and information is given by William Rainey Harper College, District Number 512 to advise its students of their rights under the Family Educational Rights and Privacy Act of 1974 (The Act).

The Act established the right of students to inspect and review their education records; provides that personally identifiable information will not, with certain exceptions, be disclosed without the student's written permission; provides for guidelines for the correction of inaccurate or misleading data through informal or formal hearings; grants students the right to file complaints with the Family Educational Rights and Privacy Act Office (FERPA) concerning alleged failures of the College to comply with The Act; and makes provisions for notice to the students concerning their rights.

A student who wishes to review his or her education records must complete the appropriate form and submit it to the Registrar. The student will be notified in writing of a date and time he or she may come to review the records.

The following student data is hereby designated as "Directory Information" and as such may be disclosed or released by the College for any purpose and at its discretion: Student Name, Home Address, Home Telephone, Major Area of Study, Dates of Attendance, Degrees/Certificates Earned, Awards Received, Last College Attended, Officially Recognized Activities, Date and Place of Birth, Weights and Heights of Members of Athletic Teams.

To have any or all of the "Directory Information" withheld, the student must give written notice, in person or by certified mail, return receipt requested and addressed to the Registrar by the first day of each course or program, as the case may be, for which he/she is enrolled.

William Rainey Harper College has adopted policies and procedures implementing The Act, which are contained in the William Rainey Harper College Student Handbook/Datebook.

Copies of The Act, William Rainey Harper College policies and procedures, the William Rainey Harper College Student Handbook/Datebook and forms for use in implementing the Act are available on request in the Registrar's Office, Student and Administration Center, Room A213.

**In accordance with Illinois law, Harper College maintains a file of course outlines for all credit courses included in this course schedule. Complete information is given on course content, methodology and objectives. The outlines are available for student review in the Division offices or in the Office of the Executive Dean of Instruction, Math, Science and Health Careers Center, D129.**

# Quick Guide to Admissions, Advising and Registration

## Summer 2000

### NEW students

You are a "New Student" if you have not previously been admitted to and have never been enrolled in credit courses at Harper College. You will need to complete an application for admission before you register. Applications are available online, in the Admissions Office, New Student Services and Art Center, C101, or by calling 847/925-6700.

#### STEP 1

Complete the application for admission, and submit it and a \$25 nonrefundable fee to the Harper College Admissions Office. Degree-seeking students are also required to submit an official high school transcript or GED results and official transcripts from each college attended. (Non-degree-seeking students are not required to provide transcripts.)

#### STEP 2

You are encouraged to attend a new student advising session. These small group sessions last about one and one-half hours and will give you information about Harper College programs, services, admission requirements and registration procedures. They also include an opportunity for each group member to speak with an advisor regarding course selection. Call 847/925-6208 to reserve a seat and/or to get more information. Morning, afternoon and evening sessions are available.

#### STEP 3

If you plan to enroll in your first college level English and/or math course, you must take computerized writing, reading and/or math assessment tests. Test results determine your placement in those courses and must be completed prior to registration. You may be eligible for a waiver of testing with appropriate ACT scores and/or college transcripts. Contact the Center for New Students and Orientation at 847/925-6208, or the Assessment Center at 847/925-6541 for details.

#### STEP 4

Select class times and sign up for classes. New students can use e-mail, walk-in or operator-assisted telephone registration to enroll in courses. See page 6 for registration options and instructions.

#### STEP 5

Pay tuition and fees by the due date given to you at the time of registration.

**If you apply to Harper for the summer session and plan to continue full time in the fall, please note that you will be invited to an orientation program which will include assessment testing, essential new student information, one-on-one counseling and registration.**

### Currently and previously enrolled credit students

As a "previously enrolled" student, you have already submitted an application, been admitted to and enrolled in a credit class at Harper College. You do not need to reapply.

#### STEP 1

You are encouraged to schedule an appointment in one of the academic advising centers for individualized academic advising, educational planning, information on transferring to another institution and/or to determine which catalog edition to follow. Call 847/925-6522 or 925-6393 for an appointment. (If you are blocked from registration because of academic standing, you must see a counselor before your registration will be unblocked.)

#### STEP 2

If you plan to enroll in your first college-level English and/or math course, you must take the writing, reading and/or math assessment tests. Test results determine your placement in those courses and must be completed prior to registration. You may be eligible for a waiver of testing with appropriate ACT scores and/or college transcripts. Contact one of the academic advising centers at 847/925-6393 or 925-6522 or the Assessment Center at 847/925-6541 for details.

#### STEP 3

Select class times and register. Currently and previously enrolled Harper College students can use walk-in, e-mail, touchtone or operator-assisted telephone registration. See page 6 for registration options and instructions.

#### STEP 4

Pay tuition and fees by the due date given to you at the time of registration.

# Summer Semester 2000 Registration

## TT Touchtone Registration 847/925-1515

For currently enrolled and previously enrolled students

Dates	Hours of Operation	
April 17-June 6	Monday-Thursday	7:00 am-10:00 pm
	Friday	8:00 am-4:30 pm
June 3 (only)	Saturday	9:00 am-12:00 noon

### Helpful Hints

- Enrolling in a course without satisfying the prerequisite may result in the student being withdrawn from such course at the request of the instructor. Refer carefully to catalog course descriptions or the course prerequisite information.
- Always use the numeral "0" and not the letter "o".
- If no four-digit touchtone number is listed for a course, it means that the course requires special permission and you must register for it in person.
- Enter your VISA, MASTERCARD or DISCOVER credit card number and expiration date. Remember to enter the # sign after you have entered your credit card number. The total amount of charges for all course entries will be charged to the credit card.

All students are encouraged to contact a counselor for academic advising (847/925-6522 or 847/925-6393) before using touchtone registration. Students who are Deaf, hard of hearing or who have a disability that prevents them from using touchtone registration should contact a staff member in the Center for Access and Disability Services (ADS), Science, Math and Health Careers Center, D119, 847/925-6266 (V) or 847/397-7600 (TTY). Students who are registering for their first English or math course are required to complete appropriate testing prior to registration. Please check the "Guide to Student Services" for Assessment Center hours.

### You may use touchtone registration for credit courses if:

1. You are a continuing or returning Harper credit student.
2. You have a touchtone phone.

### All students may use the touchtone system for payment if:

1. You are enrolled in credit classes.
2. You have a touchtone phone. Please begin at Step 2, below.

## INSTRUCTIONS

### Step 1

- A. Select the four-digit touchtone number and three digit LEC, LAB or DIS section for the specific courses you want to add to — or drop from your schedule. (Codes are printed below each course number.)
- B. Have a pencil and paper ready. The system may give you information you need. Listen to instructions carefully; the computer will prompt you with spoken instructions or responses.

**Step 2** — Dial 847/925-1515. If the line is busy, please try again.

**Step 3** — Enter your social security number

**Step 4** — Enter your date of birth (Month,Day,Year)

**Step 5** — The system will ask you to enter your request.  
Enter

- 1 = to register for a course (The system will ask you to enter the four-digit touchtone number and then the three-digit section number.)
- 2 = to drop a course
- 3 = to complete this registration session, check your fee balance or pay fees
- 4 = to check your current schedule (This request will list times and room locations of courses.)
- 9 = to cancel all registration activity completed during this call

### Step 6

**IMPORTANT:** After finishing all inquiries, you must enter 3 to confirm your schedule. Additional instructions may be given at that point. Failure to enter 3 may result in the possible loss of classes. Your registration confirmation notice and bill will be mailed if your registration is successful.

Welcome to  
the world of

**FLEX**Ed™

Today's technology and the desire of colleges and universities to meet the changing needs of people on the go, courses are now more accessible, flexible, and convenient than ever. And this trend has never been more apparent than at Harper College.

Harper offers numerous FlexEd™ opportunities—telecourses from the comfort of your favorite armchair; classes in special formats and classes via the Internet. That's because we're committed to implementing new technologies and programs that are on the cutting edge. At Harper you'll find a variety of ways to challenge your mind, explore career avenues of interest, and develop new skills. All of our FlexEd™ programs provide flexibility and accessibility, allowing you to customize your education in a fashion that best suits your schedule. And your location.

That's the beauty of Harper's alternative learning options through FlexEd™—and the reason more people are getting an education while still keeping up with a very busy world.

## Summer 2000 FlexEd Options

### First Four-Week Classes

Earn full credit in just four weeks. These classes begin June 5 and end June 29.

### Last Four-Week Classes

These classes begin July 3 and end July 27. Earn full credit in just four weeks.

### Early Start Classes

Get an early start. These classes begin in May. Check out our web site: [www.harper.cc.il.us](http://www.harper.cc.il.us) for a complete list of Early Start Classes.

### Late Start Classes

The name says it all. Late Start classes begin after the normal start date of the summer session. So if you've missed our scheduled registration, check out our web site at [www.harper.cc.il.us](http://www.harper.cc.il.us) for a complete list of Late Start Classes.

### Internet Courses

A variety of courses are now available to students via the World Wide Web. Not only will you have the flexibility of class scheduling, testing dates and times, you may also have the opportunity to communicate with your instructor and classmates via e-mail or through discussion forums. If you have access to a computer with specific hardware and software requirements, modem and online access through an Internet Service Provider (ISP), then Internet courses may be the perfect option for you.

### Open Entry Classes

Harper has designed this unique class format to meet the needs of many students. Maybe you are unable to attend regularly scheduled classes. Or you want to finish the course work more quickly or you're anxious to start, but the course has already begun. We just require a one-hour orientation, where the instructor will show you around the lab, hand out homework assignments and answer any questions. Open Entry instructors are available for guidance during posted office hours. Open Entry classes are offered in AutoCAD and Computer Information Systems. In addition, all Adult Educational Development classes are open entry.

### Telecourses

Harper offers a complete range of courses, from economics to psychology, that may be viewed on cable TV within the Harper district area. Each telecourse has a mandatory, on-campus orientation session in order to give you an introduction to the instructor and course expectations. And any missed classes can be viewed at the main campus Library or select area libraries. A taped set of classes may also be rented from the Bookstore for a fee.

**These additional FlexEd™ options are available during the fall and spring semesters:**

**Spring Into Spring (Spring Semester only)**

**Sunrise Classes**

**Videoconference Courses**

**Weekend College**

**XLR8**

For more information on any of our FlexEd™ classes, call 847/925-6707. Or visit our web site:

# HONORS PROGRAM

At Harper College we seek to stimulate, encourage and recognize work of depth, scope and originality by our students. Our honors courses give you the benefit of reduced class size and the challenge of social and intellectual interaction with other high achievers.

Honors courses transfer readily to most major four-year colleges and universities, and many colleges will accept them for honors credit as well.

Classes in psychology, English (evening class), humanities and an independent-study creative writing course will be offered this summer.

To qualify you must meet any two of the following criteria: ACT score of 25 or higher; a 3.5 high school GPA; top 10 percent of high school graduating class; a 3.5 Harper College GPA; two or more recommendations from your Harper professors.

For more information,  
visit our website: [www.harper.cc.il.us](http://www.harper.cc.il.us)

# Adult Educational Development

The Adult Educational Development (AED) Department offers Basic Skills, Pre-GED, GED, Citizenship Training, Employment Skills and selected topics for persons who are over 16 years of age and who are not currently enrolled in high school. The department offers the Nonnative Literacy Program (ESL) for persons whose first language is not English. On-site customized academic skills classes for business and industry are offered through the Work Force Instruction Program. Student placement, achievement, GED predictive and career interest testing and other advising services are also available.

Classes are offered free of tuition or for a low fee through support of federal and state grant funds. The GED Testing Program is intended primarily for adults 19 years of age or older; however, students 17 and 18 years of age may test if they meet other eligibility requirements.

Students may register for Basic Skills, Pre-GED, GED, Citizenship and Employment classes at the Harper main campus, the Harper Northeast Center, or the Northeast Palatine Community Center. Registration for Nonnative Literacy (ESL) classes will be held only at the off-campus location where classes are taught: the Harper Northeast Center, Police Neighborhood Resource Center, Edgebrook Community Center and the Northeast Palatine Community Center.

**All Adult Educational Development classes are open entry;** open enrollment is generally allowed throughout the session in all classes if space is available. For more information, call 847/925-6223, or visit the AED Department in the Academic Resource Center, F338, or call the Northeast Center in Prospect Heights, 847/925-6015.

## New Center

### Northeast Palatine Community Center (NPCC) 1585 North Rand Road, Palatine

Harper College now offers adult education classes and services at the NPCC in collaboration with the Chartered Foundation, Northwest Community Healthcare, High School District 211, Community Consolidated School District 15, the Palatine Park District, the Bridge Youth and Family Services, the Palatine Public Library, and other agencies.

Classes include:

- Nonnative Literacy (ESL)
- Basic Reading, English, and Mathematics
- Pre-GED/GED Test Preparation
- Citizenship Training
- Adult Employment Skills

- Free or nominal cost
- Day, evening and Saturday class times
- Open enrollment as space is available

For more information regarding **Nonnative Literacy (ESL)** classes, call **847.925.6015**.

For more information regarding **all other classes**, call **847.925.6223**.

## Nonnative Literacy Program (ESL)

This program is for individuals who have six years of education or less and who are native speakers of another language. Classes include basic English reading, writing and conversation for everyday practical use. Students who complete the Nonnative Literacy Program may enroll in the Part-time Academic Program in the English as a Second Language Department.

### Nonnative Literacy I Nonnative Literacy II Nonnative Literacy III Nonnative Literacy IV

Computer labs are available at the Northeast Center and at the Police Neighborhood Resource Center. Some sections of the four courses will be offered at the following times and locations.

## Workforce Program

The Workforce program is offered by the AED Department in cooperation with Workforce and Professional Development in response to the increased need for workplace skill development. The program provides on-site customized training in a variety of subject areas which include basic reading, writing, mathematics and Nonnative Literacy. The department also conducts GED Test Preparation on-site at the request of businesses.

This program provides the necessary link between the expectations and goals of the employer and employee. The comprehensive approach includes planning, assessment, development of curriculum and materials geared specifically to the needs of individual businesses, instruction, support services and evaluation.

## Employment Skills Program

### Adult Employment Skills/Basic

Acquaints the Nonnative Literacy, Basic Skills and Pre-GED (General Educational Development) student with the American workplace. Explores the world of work and current issues and trends that affect employability. Integrates and compares students' work experiences in American and nonnative work cultures. Introduces topics such as job/career assessment, individual education/employment plans, employment/life skills, job search skills, employment documents, interviewing skills, employment practices and personnel programs, job retention skills and job departure. Personal biographies are used for needs assessments.

# English as a Second Language (ESL)

English as a Second Language (ESL) courses are for individuals who are native speakers of another language and who need to improve their English language skills for educational or employment purposes. Courses are offered at beginning, intermediate and advanced levels.

The ESL and Linguistics Department serves students from any language background. Student educational levels range from seven grades completed through completion of graduate/professional programs. Students with six years of education or less are referred to the Adult Educational Development Department for enrollment in the Nonnative Literacy Program (847/925-6223).

Both intensive and part-time programs are offered. All courses are held on the Harper College main campus in Palatine. Some courses are offered both daytime and evenings. Students receive college credit for satisfactory completion of English as a Second Language courses, but for most courses this credit does not count toward a degree from Harper College. All students receive grades as in other college courses.

For more information, please contact the English as a Second Language and Linguistics Department at 847/925-6226, Academic Resource Center, F340.

## Registration

The ESL and Linguistics Department conducts its own registration sessions. Students are tested during registration and counseled for appropriate program and course placement. **Registration is done by appointment only and takes about two hours. The number of registration appointments is limited because the number of spaces in classes is limited. In addition, a registration appointment does not guarantee placement into a class. The earlier the registration appointment, the greater the possibility of getting into classes.**

The opportunity for new students to call for registration appointments begins with certain dates before an upcoming semester or summer session. On those dates, appointments are scheduled in the order that the requests are taken until all available registration

appointment times have been filled. After all appointment times have been filled, it is necessary to wait until the next call-in date in order to make registration appointments. **Therefore, it is important to call 847/925-6226 on the designated date at the earliest possible time in order to get a registration appointment. Appointments are given only by telephone.**

The earliest date to make registration appointments for the **summer session Intensive Program** is **Wednesday, April 26, 8:00 am-4:30 pm**. The earliest date to make registration appointments for the **summer Part-time Program** is **Saturday, May 13, 8:00 am-12:00 pm**. The earliest date to make registration appointments for the **fall semester** is **Tuesday, July 25, 8:00 am-4:30 pm**. **For information on registration, please call 847/925-6226.**

## Tuition and Fees

Tuition and fees are charged for all programs and are payable at the time of registration. Tuition for residents of the Harper College district is \$54 per credit hour. Tuition rates for those who maintain residence outside of the Harper College district or who are on student visas are higher than in-district rates. In addition to tuition, students must pay a student activity fee of \$16 and a registration fee of \$10. Some courses carry a language laboratory fee of \$20. New students (only) must also pay an application fee of \$25. All tuition and fee rates are subject to change. Please feel free to contact the ESL and Linguistics Department for current rates. Financial aid is available to eligible students through the Office of Student Financial Assistance. Students seeking financial aid are advised to contact the Office of Student Financial Assistance as early as possible. Students seeking to enroll in other college courses along with ESL courses should also make an appointment to see an ESL and International Student Advisor.

## Intensive English Program (IEP)

This program is for beginning, intermediate and advanced students who want to improve their English language skills as quickly as possible. Emphasis is on the language skills and cultural knowledge needed for functioning in college and university courses in the United States. This program is also beneficial for nonnative individuals employed in business and the professions. Students must have completed a minimum of 12 grades of education in their countries or in the United States in order to qualify for the program. The program includes four instructional levels: A, B, C and D. All levels include courses in listening/speaking, grammar, reading and writing.

Students at Level A (beginning) enroll for 14 credit hours of instruction and are required to attend classes and the language laboratory Monday through Thursday, 9:00 am-3:40 pm. Levels, B, C and D include 15 credit hours with class and language laboratory attendance required Monday through Thursday, 9:00 am-3:40 pm.

The Intensive Program meets the full-time study requirements for international (F1 visa) students. Students needing the student (F1) visa are advised to contact an international student advisor, Academic Resource Center, F340, 847/925-6226 as soon as possible.

The summer session Intensive Program begins on Monday, May 8, and ends July 27. For more information, please call 847/925-6226 or come to the ESL/Linguistics/International Student Office, Academic Resource Center, F340.

## Part-Time Academic ESL Program

This program is for part-time students who want to improve their English language skills for educational, professional or employment purposes. During the short summer session, special eight-week courses in listening/speaking and grammar will be offered as well as eight-week reading and writing courses. Students who place at Level 3 or above may take more than one course.

## Listening/Speaking Courses

Listening/speaking courses, Levels 1 through 7, will be offered Tuesdays and Thursdays from 8:45-10:25 am and 8:10-9:05 pm. Courses begin June 6 and end July 27.

## Reading and Writing Courses

Instruction in reading/writing for students at Levels 3 through 6 will be offered Mondays and Wednesdays from 8:45-10:25 am and Tuesdays and Thursdays from 6:20-8:00 pm. Reading for Level 7 students will be offered Mondays and Wednesdays from 8:45-10:25 am and Tuesdays and Thursdays from 6:20-8:00 pm. Writing for Level 7 students will be offered Mondays and Wednesdays, 11:25 am-1:05 pm and Tuesdays and Thursdays, 6:20-8:00 pm. Courses begin June 5 or 6 and end July 26 or 27. Each course carries two credit hours. Level 7 continuing students seeking to enter English 101 in the fall may take ESL 068/073 Reading on Mondays and Wednesdays, 1:15-4:00 pm and 6:30-9:20 pm, and 069/074 Writing on Tuesdays and Thursdays, 12:50-3:40 pm and 6:30-9:20 pm. Courses begin May 22 or 23 and end July 26 or 27.
