## Summer 2001 FlexEd™ Options

### 📍 Internet Courses

A variety of courses are now available to students via the World Wide Web. Not only will you have the flexibility of class scheduling, testing dates and times, you may also have the opportunity to communicate with your instructor and classmates via e-mail or through discussion forums. If you have access to a computer with specific hardware and software requirements, modem and online access through an Internet Service Provider (ISP), then Internet courses may be the perfect option for you.

### 🕒 Late Start Classes

The name says it all. Late Start classes begin after the normal start date of the summer session. So if you've missed our scheduled registration, check out our web site at [www.harpercollege.com](http://www.harpercollege.com) for a complete list of Late Start Classes.

### 📅 Open Entry Classes

Harper has designed this unique class format to meet the needs of many students. Maybe you are unable to attend regularly scheduled classes. Or you want to finish the course work more quickly or you're anxious to start, but the course has already begun. We just require a one-hour orientation, where the instructor will show you around the lab, hand out homework assignments and answer any questions. Open Entry instructors are available for guidance during posted office hours. Open Entry classes are offered in AutoCAD and Computer Information Systems. In addition, all Adult Educational Development classes are open entry.

### 🌅 Sunrise Classes

Harper's early morning classes start anywhere from 6:00 to 7:35 in the morning and are perfect if you want to get in a little learning before you go to work.

### 📺 Telecourses

Harper offers a complete range of courses, from economics to psychology, that may be viewed on cable TV within the Harper district area.\* Each telecourse has a mandatory, on-campus orientation session in order to give you an introduction to the instructor and course expectations. And any missed classes can be viewed at the main campus Library or select area libraries. A taped set of classes may also be rented from the Bookstore for a fee.

\*As of this printing, the Village of Arlington Heights may not be broadcasting the Harper cable channel.

These additional FlexEd™ options are available during the fall and spring semesters:

- 📺 Videoconference Courses
- 📅 Weekend College
- 📍 XLR8
- 📅 12 Week Classes

For more information on any of our FlexEd™ classes, call 847.825.6707. Or visit our website:

Businesses within the Harper College district can now offer Harper in-district tuition rates to employees who live outside the College district but within Illinois. The Educational Services Agreement Program permits these employees of in-district businesses to attend Harper classes at in-district prices if their employers have registered for this unique program. The in-district tuition is available whether the cost is to be paid by the employees or by the company. Employers who are interested in this program should contact the Admissions Outreach Office, 847.925.6247.

#### Chargeback/Joint Agreement

Out-of-district students desiring to pursue a certificate or degree program at Harper that is not available at their community college may apply for a chargeback or joint agreement. If the application is approved, the student will be able to receive in-district rates. For further information call 847.925.6502.

#### Auditing a Course

A student who wishes to audit a course will be required to pay full tuition and fees and must obtain approval from the instructor, department chair or dean before enrolling in the class. Registration for audit status may be completed only during the first week of classes and must be the original enrollment in the class. Students taking the class for credit are given priority.

Payment of tuition and fees should be made in the Business Office, Student and Administration Center, A214.
