Summer 2002

FlexEdSM Options

① Internet Courses

A variety of courses are now available to students via the World Wide Web. Not only will you have the flexibility of class scheduling, testing dates and times, you may also have the opportunity to communicate with your instructor and classmates via e-mail or through discussion forums. If you have access to a computer with specific hardware and software requirements, modem and online access through an Internet Service Provider (ISP), then Internet courses may be the perfect option for you.

② Late Start Classes

The name says it all. Late Start classes begin after the normal start date of the summer session. So if you've missed our scheduled registration, check out our Web site at harpercollege.com for a complete list of Late Start Classes.

③ Open Entry Classes

Harper has designed this unique class format to meet the needs of many students. Maybe you are unable to attend regularly scheduled classes. Or you want to finish the course work more quickly or you're anxious to start, but the course has already begun. We just require a one-hour orientation, where the instructor will show you around the lab, hand out homework assignments and answer any questions. Open Entry instructors are available for guidance during posted office hours. Open Entry classes are offered in AutoCAD and Computer Information Systems. In addition, all Adult Educational Development classes are open entry.

④ Sunrise Classes

Harper's early morning classes start anywhere from 6:00 to 7:35 in the morning and are perfect if you want to get in a little learning before you go to work.

⑤ Telecourses

Harper offers a complete range of courses, from economics to psychology, that may be viewed on cable TV within the Harper district area.* Each telecourse has a mandatory, on-campus orientation session in order to give you an introduction to the instructor and course expectations. And any missed classes can be viewed at the main campus Library or select area libraries. A taped set of classes may also be rented from the Bookstore for a fee.

*As of the printing of this course schedule, residents of Arlington Heights may not receive Harper cable channel broadcasts. Please check with your local cable provider to ensure accessibility.

These additional FlexEdSM options are available during the fall and spring semesters:

- ⑥ Videoconference Courses**
- ⑦ Weekend College**
- ⑧ XLR8**
- ⑨ 12 Week Classes**
