available for the years 1973, 1975, 1976, 1979, 2000, and 2001. There are significant gaps in the collection, but it is mostly comprehensive for the years 1981 through the academic year 1991-92.

Distributed to local papers, the press releases are promotional in nature and pertain to Harper College programs and public events. Other subjects include notable accomplishments of Harper students and faculty, updates on Harper's growth and development, and administrator news.

Title indexes were created by the issuing department and cover most of the collection.

Researchers should note that press releases relating to sports were issued by a separate department and are not included in the collection.

The original order was maintained. Press releases are arranged by calendar year for the years 1973- June 1989, and then by academic year starting in July 1989. After year, the press releases are arranged in numeric order; where press releases are unnumbered they are arranged in date order.
