Dear Members of the Harper Community:

As a member of the Harper district, you may wish to learn more about the College and the Illinois community college system. The *Profile* is designed to acquaint you with Harper College, legally known as District 512. Harper is a major educational, cultural and social resource in the northwest area.

The student population is served by 192 faculty, 89 professional/technical, 272 classified, 81 custodial and maintenance, and 33 administrative staff. A part-time faculty of 600 supplements our teaching staff. The College is governed by a Board of Trustees composed of seven members elected by the community and a student trustee elected by the students. Everyone at Harper is committed to providing quality instruction and services that respond to the needs of the residents of the district.

We hope that this booklet will give you a good overview and that you will take advantage of the resources that Harper College provides.

Sincerely,

Paul N. Thompson
President

Harper Highlights

• William Rainey Harper College was founded on March 27, 1965.

• The College is named after Dr. William Rainey Harper, first president of the University of Chicago and known as the father of the two-year college.

• The College is governed by an elected board of trustees composed of seven members and a student trustee elected by the students.

• The College encompasses 23 communities with an area of about 200 square miles and a population of 469,000.

• The campus in Palatine has 15 buildings on a total area of 200 acres.

• The operating tax rate is 30 cents per $100 of assessed valuation.

• The tuition rate is $30.00 per credit hour, effective with spring semester, 1989.

• Fall enrollment is approximately 22,600 students.

• Approximately 32 percent of the annual high school graduates in the district attend Harper.

• More than 300,000 students have attended Harper since it was founded.

• Approximately 93 percent of the College faculty hold postgraduate degrees.

• The Harper College Learning Resources Center has 130,000 volumes including microforms and reprints, and about 800 periodical titles. The media collection of 120,000 items consists of videotapes, films, audiotapes, slides, filmstrips and other formats. Through on-line searching of a national database, the LRC has access to academic institutions nationwide, as well as to those in Illinois.

• The College operates four extension centers in Barrington, Mount Prospect, Prospect Heights and Schaumburg.

• The College offers over 50 academic scholarships each year covering tuition and fees, each valued at $850 per year, as well as various financial grants sponsored by individuals, organizations and companies in the area.
Introduction

William Rainey Harper College is a two-year public community college founded in 1965. The College offers the associate in arts and associate in science degrees and an associate in applied science degree in 60 career areas. In addition, there are more than 15 one-year certificate programs which prepare men and women of all ages for immediate employment. There are numerous other programs and services such as continuing education, the CAD/CAM Center, business management seminars, cultural affairs, women's studies, support services for hearing impaired students, and community counseling services.

The spirit of Harper College is reflected in its name. William Rainey Harper was a scholar, teacher, writer and administrator who devoted his life to the pursuit of excellence in education. As the first president of the University of Chicago, Dr. Harper initiated programs to bring education into the community for those who could not become resident students at a university. This concept was the basis for the establishment of the community college system in the United States and the eventual founding of William Rainey Harper College.

In 1967, Harper College opened with an enrollment of about 1,700 students. Today the College's enrollment stands at approximately 22,600 students of all ages participating in degree credit, continuing education, and extension courses at the Harper campus or at other locations throughout the district.

Harper College makes available degree credit and credit free offerings at many off-campus locations, including high schools, hospitals and public libraries.

The College's records contain more than 300,000 student records dating back to 1967 when the first classes were held. Many more area residents have come to the campus to attend forums, concerts, and cultural and athletic events.

For the many residents in the College community, Harper provides the opportunity for developing a career, completing the first two years of a bachelor's degree, learning new skills, retooling for career advancement or change, enriching the quality of one's life, or simply enjoying the discovery of new knowledge. In meeting the varied and changing educational needs of district residents, Harper College continues to be a dynamic institution, a community college in the truest sense of the term.

Mission Statement

The mission of William Rainey Harper College, as part of the system of public community colleges in Illinois, is to provide to District No. 512 residents a comprehensive postsecondary education which includes transfer, career, and continuing education programs. In addition to fulfilling this primary mission, Harper College also offers specialized programs and services in cooperation with local school districts, area business and industry, and other community colleges. The educational and cultural opportunities offered to students and community residents are developed and enhanced within the Harper College philosophy of academic excellence, service to the community, and innovative educational leadership.

Programs developed to meet the needs of the community are offered at reasonable cost to students, district taxpayers, and the State of Illinois. The ultimate goal of Harper College is to provide an educational environment that allows the individual the maximum opportunity to develop through successful learning experiences.
## Board of Trustees (1988-89)

State Community College System
Illinois Community Colleges*

The System

Although the first public junior college in Illinois was established in Joliet in 1901, the Illinois Public Junior College Act was not passed until 1965. The Act was an outgrowth of the 1964 Master Plan published by the Illinois Board of Higher Education. This legislation, with subsequent amendments, is the basis for the present system of public community college districts in Illinois.

There are currently 39 public community college districts comprised of 50 colleges and five branches. Of those 39 districts, 37 have locally elected boards of trustees, one (Chicago) has a locally appointed board of trustees, and one (East St. Louis) has a local board of trustees appointed by the Governor. Thirty-six of the districts have a single college. Three districts are multi-college, with Chicago having nine colleges, Illinois Eastern having four colleges, and Black Hawk having two colleges. With the exception of State Community College of East St. Louis, each district has tax levy authority to provide local support for district operations.

The Mission and Scope

Community colleges have excellence as their principle focus in satisfying the educational needs of the individuals and communities they serve.

Focusing on individual needs requires extensive student and instructional support services designed to analyze individual levels of educational attainment and then to respond with appropriate counseling, placement, and other types of special instructional assistance.

Focusing on community needs requires extensive cooperation with community agencies, organizations, businesses, industries, and educational institutions to identify the needs and address them in a manner which is both educationally and economically sound.

Once educational needs are identified, community colleges provide a broad range of educational programs and services to address them.

Accordingly, the following community college missions, together with their respective scopes which further delineate such missions, are identified.

• Provide Liberal Arts and Sciences Programs: Such programs shall be provided either to prepare students for transfer to four-year colleges and universities or to meet the personal educational goals of individuals throughout their lifetimes.

• Provide Occupational Programs: Such programs shall be vocational, technical, and semi-technical in nature and shall be for the purpose of providing job training, retraining, and/or upgrading of skills to meet both current and emerging local, regional, and state manpower needs.

• Provide Preparatory, Developmental, and Remedial Programs: Such programs shall include adult basic education, general education development, English as a second language, and any other instruction designed to prepare students for successful experiences in postsecondary education.

• Provide Public Service Programs: Such programs shall include community education activities of an instructional nature such as non-credit adult continuing education and hobby/leisure time activities and community service activities which may include workshops, seminars, forums, and enrichment activities.

*Reprinted from General Information published by the Illinois Community College Board.
The Illinois Community College Board

The Illinois Community College Board consists of nine members appointed by the Governor and one student member selected by the recognized Student Advisory Committee. Board members are appointed at large for six-year terms. The Chairman of the Board is selected by the Governor. The statutory responsibilities of the Board are planning and coordinating the programs and activities of the public community colleges. All colleges are governed by local boards of trustees.

Academic Programs
Harper College provides programs of study allowing students to complete requirements for the first two years of a baccalaureate degree. Harper defines these programs as transfer programs. Some examples of major fields of study are as follows:

- Art
- Biological Sciences
- Business Administration
- Communications
- Computer Science
- Education
- Engineering
- Foreign Languages
- Health Education
- Liberal Arts
- Music
- Physical Education
- Recreation
- Science and Mathematics
- Social Science

Harper College offers career/vocational programs. The sequence of courses is designed for individuals who desire to pursue a specific curriculum to prepare them for a particular career. Both associate degree and certificate programs are offered except where indicated.

- Accounting Aide
- Accounting Clerk
- Accounting - Payroll
- Administrative Assistant
- Agricultural Business Technology
- Agricultural Production Management Technology
- Alternate Living Resident Supervisor
- Architectural Technology
- Auto Body Repair and Painting
- Automotive Service Excellence
- Automotive Technology
- Aviation Maintenance Technology
- Banking and Savings Association Management
- Banking, Finance and Credit
- Behavioral Medical Assistant
- Biomedical Electronics Technology
- Bread and Pastry Arts
- Building Codes and Enforcement
- Building Construction Technology
- Construction Layout
- Construction Management
- CAD Technician
- CAM
- Cardiac Exercise Technology
- Certified Professional Secretary
- Chemical Technology
- Bio-Tech Option

- Child and Youth Advocacy
- Child Development
- Civil Technology
- Materials Testing and Inspections
- Project Inspector
- CNC Technician
- Commercial Art
- Commercial Credit Management
- Criminal Justice
- Culinary Arts
- Data Processing - Computer Operator
- Data Processing - Microcomputers in Business
- Data Processing Technology
- Dental Assisting
- Dental Hygiene
- Dental Laboratory Technology
- Dietetic Technician
- Digital Electronics and Microprocessor Technology
- Electronics Servicing
- Electronics Technology
- Executive Secretarial Development
- Facilities Operation and Engineering
- Fashion Design
- Fashion Merchandising
- Financial Management
- Fire Science Technology
- Floral Design
- Food Manufacturing Technology
- Food Service Management
- Foster Care
- General Office Assistant
- Gerontology
- Graphic Arts
- Graphic Design
- Group Home Care
- Habilitation Aide
- Heating Service
- Horticulture
- Hotel/Motel Management
- Human Services Technology

*These programs are offered through cooperative agreements with other community colleges.

Continuing Education Programs

The programs offered in Continuing Education and Program Services are an integral part of the Harper College comprehensive educational effort. They are designed to serve as lifelong learning opportunities. Programs are aimed at meeting the educational, cultural and training needs of individuals, business and industry, municipalities, professional and occupational groups. The wide range of offerings covers management training, technical training, psychological and health education needs, as well as fine arts, industrial arts, home economics, and a variety of academic courses.

Facts about Harper Students

Did you know that . . .

• The average age of Harper students is 32?

• Sixty-three percent of the students are women?

• Sixty-two percent of degree credit Harper students work full time while attending Harper, many of them in semi-professional or technical positions?

• Eleven percent of Harper's degree credit students have a bachelor's degree or higher; in continuing education, 45 percent have already achieved a bachelor's degree or higher?

• Schaumburg township shows the highest percentage of population enrolled in degree credit programs at Harper?

• Sixty-two percent of Harper's career students become employed full time upon leaving Harper?

• Eventually 82 percent of Harper's baccalaureate oriented alumni will transfer to another college and 69 percent will achieve a bachelor's degree?

• More than one out of every three full-time students will complete an associate degree at Harper?

• The average income of degree credit students who are independent is about $27,300, the average income of parents of dependent students is $57,200, and the average income of continuing education students is $44,400?

• Sixty-six percent of the jobs career alumni hold are closely related to their major field at Harper?

• Approximately two-thirds of Harper career alumni are working within the district, and only 3½ percent are working close to the Chicago Loop?

• More than two-thirds of Harper's degree credit students are part-time students?

• About 44 percent of career graduates are regularly supervising other employees six years after leaving Harper?

• More than half of the students are persuaded to attend Harper by three principal factors? These are recommendations of friends and relatives; ability to enroll in a specific course or program desired; and Harper's convenience.

• Alumni who transfer to another college rate 13 aspects of Harper better than the college they are now attending, and only five areas of their new college better than Harper?

1 Full-Time Equivalent (FTE) is the number of 15-credit hour loads represented by the total number of credit hours for which students are enrolled.
Student Clubs and Organizations

Student clubs and organizations operate under the auspices of the Student Activities Office to serve the special needs and interests of the students. Among the recognized clubs and organizations on campus are:

- Association of Legal Students
- Astronomy Club
- Biological Society
- Brothers and Sisters in Christ
- Cheerleaders
- College Bowl
- Collegiate Illinois Association of the Deaf
- Data Processing Club
- Food Service Club
- Future Secretaries Association
- Geology Club
- Harbinger, Student Newspaper
- Harper Theatre
- Harper's Bizarre (Fashion Design)
- International Students Club
- Literature Club
- Newman Association
- Operating Room Technicians Club
- Phi Theta Kappa (Honorary Scholastic Society)
- Political Science Club
- Point of View literary magazine
- Pom Pon Squad
- Program Board
- Psychology Club
- Rhythm & Moves Dance Company
- Science Fiction Club
- Speech Team
- Spread Eagle Ski Club
- Student Nurses Club
- Student Senate
- WHCM Radio
- Young Corporate Achievers
College Finances
Funding for Harper

Harper College operating revenue comes from three major sources: student tuition, local taxes and state apportionment.

Student Tuition

The Board of Trustees annually establishes tuition for credit courses which is limited by law to one-third of the per capita cost. The current resident tuition is $30.00 per semester hour, effective with spring semester, 1989.

Tuition and fees for courses of a non-credit nature (courses which do not lead to a state-approved degree or certificate) cover the cost of instruction. No state or local tax monies are used to support these courses.

For 1988-89, tuition revenue is expected to be $6,737,330 which represents 20.66 percent of Harper College's operating fund income.

Local Taxes

All real estate property tax in the State of Illinois is used as the basis by which local educational institutions, under the authority of the law, determine the amount of tax revenue that can be made available to them. The tax rate is based on a percentage of the College district's equalized assessed valuation.

For 1988-89, the anticipated revenue from local taxes is $16,491,397 which represents 50.58 percent of Harper College's total operating fund income.

State Apportionment

The state funding formula is the method used to channel state money to the individual schools. The formula is cost-based and the money is distributed on the basis of enrolled students. The formula determines how much is needed to operate all the colleges for a year. The resource requirements are determined by using the actual enrollment from the prior two years, the unit cost (how much it cost per student two years past), and an adjustment for inflation in the areas of salaries, utilities, library materials and general costs plus other identified special needs. Then all local tax revenue is subtracted, and the state apportionment is supposed to be the amount remaining.

The bulk of this money is distributed through credit hour grants in seven instructional categories: Baccalaureate, Business, Technical Health, Remedial, and Adult Basic Education/General Studies. The College also receives money for grants to fund programs for disadvantaged students on a credit hour basis.

For 1988-89, state apportionment totals $5,838,749 which represents 17.91 percent of the College's total operating fund income.

Others

In addition to these major sources, Harper College obtains some revenue from student fees, chargebacks, interest on investments, sales and service fees, various federal and state grants, and corporate tax.

For 1988-89, the total revenue from these sources is $2,396,018 which represents 7.35 percent of the College's total income.
Harper College Budget

The Budget Process

The budget is more than a statistical tabulation of numbers that show anticipated revenue and expenditures. It is the financial interpretation of the ongoing educational program for one year beginning July 1 and ending June 30.

Budget planning is a continuous process designed to culminate in the development of a budget that accurately expresses the district's educational program for one year.

Evaluation of the budget at the end of a fiscal year must include an appraisal of the educational program and the total operation of the College.

Budget Philosophy

One of the cornerstones of William Rainey Harper College's philosophy is the commitment to involve faculty and students in the development and operation of the College. The sharing of authority requires a commensurate sharing of responsibility by the individuals or groups involved. The advisory role of the faculty and students is limited only by the ability of these groups to analyze problems and present recommendations to the faculty, administration, and Board of Trustees. The basis for this philosophy is the belief that the democratic process will ensure that Harper College continues to evolve as one of the outstanding community colleges in higher education.

Based upon this institutional philosophy, a budget philosophy has been developed that involves the faculty, administration, and cost center managers in the budget formulation and assigns responsibility to those who share in the authority to implement the budget. The following guidelines have been established:

1. The final authority for the adoption of the budget rests with the Board of Trustees and is based upon the recommendation of the President.

2. The President, in consultation with the three vice presidents, is responsible for balancing expenditures for programs within the framework of the budget based on overall institutional goals.

3. The Vice President of Administrative Services is responsible for the formulation, operation, and control of the adopted budget.

4. In order to obtain faculty and cost center manager involvement, the budget has been decentralized along organizational lines. A decentralized budget places responsibility at the operational level for budgetary planning. A given cost center manager is in the best position to set priorities for efficient operation based upon operating experience. As the budget formulation progresses and reductions are made collectively by all concerned in order to balance the budget, each manager becomes familiar with the operation of all cost centers that in total make up the budget. The result is a budget that faculty and cost center managers have agreed upon, can understand and therefore can support. Thus, budget formulation proceeds along organizational lines until it is legally adopted by the Board of Trustees.

5. While the business office is responsible for the overall control of the budget, individual cost centers are responsible for their estimates and subsequent expenditures. All expenditures initiated by individual cost centers must receive approval through organizational lines of authority.

6. All expenditures must conform to the policies of the Board of Trustees.
The Budget Cycle

The budgetary cycle consists of the evolution, implementation, and evaluation of the budget. This cycle can be outlined as follows:

1. Preparation — A cost center function
2. Presentation — An administrative function
3. Adoption and Authorization — A Board of Trustees function
4. Administration and Implementation — A cost center and administrative function
5. Evaluation — A combined administrative and Board of Trustees function.

Budget Funds

For the purpose of carrying out the entire educational program of the College, the Board of Trustees, in accordance with the law, has established funds for operation. A fund may be defined simply as a sum of money segregated for the purpose of carrying on specific activities or attaining certain objectives. Each fund is a completely separate entity that must maintain its own financial integrity without permanent assistance from another fund.

The two most important funds in the budget are the Educational Fund and the Operations and Maintenance Fund. These two funds represent the Operating Funds for Harper College.

A. Educational Fund

The Educational Fund budget is the largest and most important operating budget for the College. This fund is established for the purpose of financing the cost of the academic and service programs. It finances the cost of instructional, administrative and professional salaries, supplies and equipment, library books, materials, maintenance of instructional and administrative equipment, and other costs pertaining to the educational program. This fund is currently limited to a local property tax rate of 17.5 cents per $100 of equalized assessed valuation.

The major sources of revenue for this fund are local taxes, state apportionment and tuition and fees.

The expenditures for this fund are categorized according to the following function and object:

<table>
<thead>
<tr>
<th>Function</th>
<th>Object</th>

<tr>
<td></td>
<td>Capital Outlay</td>
</tr>
<tr>
<td></td>
<td>Other</td>
</tr>
<tr>
<td></td>
<td>Provision for Contingency</td>
</tr>
</tbody>
</table>

B. Operations and Maintenance Fund

The Operations and Maintenance Fund budget provides for the operation and maintenance of the physical plant. This fund is established for the purpose of maintaining and improving existing buildings and grounds as well as the fixtures and equipment which are a permanent part of the buildings and grounds. This fund is currently limited to a tax rate of 7.5 cents per $100 of equalized assessed valuation.
The sources of revenue for this fund are local taxes and state apportionment.

The expenditures for this fund are categorized according to the following function and object:

<table>

# Campus Buildings

Capital funds for the College buildings were provided through a combination of General Assembly appropriations and local construction bond issues approved by the district voters in April of 1966. By 1969, 45 percent of the construction master plan was completed. Harper College opened its doors to 5,400 students at the Palatine campus in the fall of that year.

Subsequent buildings were constructed as state appropriations were made available. The physical education center (Building M) was funded through local bond issues approved in a 1975 referendum.

Harper College Educational Foundation

The Harper College Educational Foundation was established in 1973 as a non-profit organization to provide additional funding for the College. Its members are appointed by the Foundation Board, and the appointments are confirmed by the Harper College Board of Trustees. The Foundation works within the framework of goals approved by the elected Board of Trustees, which provides coordinating services for the Foundation.

The purpose of the Foundation is to support the educational mission of the College, specifically to:

1. Assist the College in providing broader educational opportunities for students, alumni, district residents and employers;

2. Acquire and administer additional assets for the College;

3. Encourage corporations, foundations and individuals to provide gifts, scholarships, grants or bequests of money or property;

4. Foster development of special instruction, research and cultural programs which cannot be funded through the operating budget of the College; and

5. Act in a fiduciary capacity to carry out any of the foregoing purposes.

Friends of Harper

The Friends of Harper is a non-profit support organization which conducts various projects to increase awareness of the College in the community. Membership is open to any individual or group interested in furthering the mission of Harper College. Members also apprise College personnel of concerns and suggestions from residents in the 23 communities served by the College.

The organization is governed by a board of directors elected from the membership to represent each township in the College district. The Harper College Board of Trustees provides coordinating services for the Friends of Harper organization.
