Step 2: Request the Loan Amount

The chart below lists the maximum annual subsidized and unsubsidized Federal Direct Loan limits.

- **Subsidized** Direct Loans are awarded based on financial need. Interest is “subsidized” or paid by the federal government while you are in school at least half time, and during qualifying grace periods and authorized periods of deferment. During all other times, you are responsible for paying the interest.
- **Unsubsidized** Direct Loans are *not* based on financial need. You are responsible for the accrued interest from the time the loan is disbursed. You may pay the interest periodically while in school at least half time, or the interest will be accrued and capitalized at the start of repayment.

Note: You may be eligible for a combination of subsidized and unsubsidized Federal Direct Loans. We award subsidized loans first, and any remaining loan eligibility is awarded as an unsubsidized loan. Check the View My Awards on *MyHarper* for the breakdown of your loan(s).
