Summer 2018 Federal Direct Loan Request

To borrow a subsidized and/or unsubsidized Federal Direct Loan(s) funds, you must complete a Loan Request Form. You must be enrolled in a minimum of six (6) credit hours and working towards an eligible certificate or degree program from Harper College. **Be conservative** regarding the loan amount you wish to borrow. Student loans must be repaid with interest. Detailed information about the Federal Direct Loan Program is posted at www.harpercollege.edu in the Financial Aid section.

Step 1: Complete Your Estimated Budget

If this is your first loan at Harper College during 2017-2018, you must complete and submit an Estimated Budget using the attached Budget Worksheet.

Step 2: Request the Loan Amount

The chart below lists the maximum annual subsidized and unsubsidized Federal Direct Loan limits.

- **Subsidized** Direct Loans are awarded based on financial need. Interest is “subsidized” or paid by the federal government while you are in school at least half time, and during qualifying grace periods and authorized periods of deferment. During all other times, you are responsible for paying the interest.
- **Unsubsidized** Direct Loans are not based on financial need. You are responsible for the accrued interest from the time the loan is disbursed. You may pay the interest periodically while in school at least half time, or the interest will be accrued and capitalized at the start of repayment.

Note: You may be eligible for a combination of subsidized and unsubsidized Federal Direct Loans. We award subsidized loans first, and any remaining loan eligibility is awarded as an unsubsidized loan. Check the View My Awards on *MyHarper* for the breakdown of your loan(s).
