Harper College will determine your loan amount based on your eligibility; therefore, you may not receive the full amount requested. You will receive an email and can review your awards on your MyHarper once processed.

Note: You may be eligible for a combination of Federal Direct Subsidized and Unsubsidized Loans. All loan adjustments will be made to maximize your subsidized loan eligibility.

- **Subsidized** Federal Direct Loans are awarded based on financial need. Interest is “subsidized” or paid by the federal government while you are in school at least half time, and during qualifying grace periods and authorized periods of deferment. During all other times, you are responsible for paying the interest.
- **Unsubsidized** Federal Direct Loans are *not* based on financial need. You are responsible for the accrued interest from the time the loan is disbursed. You may pay the interest periodically while in school at least half time, or the interest will be accrued and capitalized at the start of repayment.
