

#### 2025-2026 Federal Direct Loan Request Form

To borrow subsidized and/or unsubsidized Federal Direct Loan funds, you must complete a Loan Request Form. You must be enrolled in a minimum of six (6) credit hours and working towards an eligible certificate or degree program from Harper College. **Be conservative** regarding the loan amount you wish to borrow. Student loans must be repaid with interest. If you are a first-year, first-time borrower, Harper College will delay the first installment of your Direct Loan by 30 days.

For detailed loan information, see the <u>Federal Direct Loan Program</u>. Review the attached Sample Payment Chart to estimate your monthly payment.

#### Step 1: Complete Your Estimated Budget (All Borrowers)

Prepare an Estimated Budget by completing the Budget Worksheet.

## **Budget Worksheet**

The Budget Worksheet will help you determine your expenses and estimate your available income. You will need to consider all of your resources and the total cost of your education. The Budget Worksheet lists most of the important expenses and resources such as tuition and fees, books and supplies, scholarships, etc. For assistance, see <a href="Cost of Attendance">Cost of Attendance</a>.

To complete the worksheet, enter numbers in the fields that pertain to you and the semester(s) you are enrolled at Harper College for 2025-2026. When you have finished entering the values, add each column to get a total of Expenses and Income and then compare.
