

Paying In Full – Already Registered for Semester

Students not receiving financial assistance that covers their entire balance, or do not wish to pay in installments, must pay for their tuition in full. Failure to pay by the tuition deadline will result in classes being removed. Your personalized payment deadline can be found online at the time of registration.

NOTE: There is no extra cost for paying for tuition in full.

<p>Go to the Harper College website</p> <p>Click on the 'MyHarper' link at the top, and log into your MyHarper Portal</p>	<p style="text-align: center;">http://goforward.harpercollege.edu/</p>
