

QuikPay: Paying as an Authorized Payer – Already Authorized by Student

Students not receiving financial assistance that covers their entire balance, or do not wish to pay in installments, must pay for their tuition in full. Failure to pay by the tuition deadline will result in classes being removed. Your personalized payment deadline can be found online at the time of registration.

NOTE: There is no extra cost for paying for tuition in full. Student must complete Authorized Payer Request before this option is available.

Authorized Payers can access the Authorized Payer Payment Section online in two ways. By following the link provided in the email the student sent when assigning their Authorized Payer, and by using the 'QuikPAY' link in the Authorized Payer section of the school website.
