

QuikPay: Paying In Full – If Actively Registering

Students not receiving financial assistance that covers their entire balance, or do not wish to pay in installments, must pay for their tuition in full. Failure to pay by the tuition deadline will result in classes being removed. Your personalized payment deadline can be found online at the time of registration.

NOTE: There is no extra cost for paying for tuition in full.

Payment in full can be made online through the My Harper Student Portal during the registration process, or in the Business Office in Building A, Room 214.
