**THIS TRANSFER GUIDE CONTAINS IMPORTANT TRANSFER INFORMATION THAT CAN IMPACT A STUDENT'S ABILITY TO TRANSFER AND COMPLETE THEIR STUDIES IN A TIMELY MANNER.**

*The information on this sheet is subject to frequent change; students should contact the four-year school to keep informed of changes. Final responsibility for verifying all transfer information lies with the student.*

### **TRANSFER OPTIONS**

#### **Complete AA or AS\* Degree**

Students planning on transferring to DePaul University who complete the AA or AS\* degree can benefit from the Illinois Articulation Initiative (IAI). By completing Harper's 1998 or later AA or AS\* degree with a 2.0 GPA in Groups 1-5, DePaul's general education requirements will be considered met. Individual majors may have additional prerequisites and/or requirements that are not covered by this agreement. In addition, DePaul has specific mission-related courses that are not covered by this agreement.

#### **Transfer without completing AA or AS\* Degree**

Students who choose to transfer prior to completing an AA or AS\* degree can still benefit from Illinois Articulation Initiative (IAI) by completing Groups 1-5 of the AA or AS\* with a cumulative 2.0 GPA. This completes the General Education Core Curriculum (GECC) which will meet DePaul's general education requirements. Individual majors may have additional prerequisites and/or requirements that are not covered by this agreement. In addition, DePaul has specific mission-related courses that are not covered by this agreement.

Students who do not complete the AA or AS\* or the GECC will need to meet DePaul's general education requirements. See the transfer grid on page 4 of this guide.

\* On September 18, 2015 the Illinois Community College Board approved the changes to the AS degree. The changes are effective beginning with the 2016-2017 academic year. The new AS model requires fewer humanities and fine arts and social and behavioral sciences and requires additional mathematics and science. Effective the 2016/2017 catalog the AS will no longer include the IAI GECC package. Students who complete the AS degree will need to take the additional humanities and fine arts and social behavior science at DePaul.

### **ADMISSION REQUIREMENTS FOR TRANSFER STUDENTS**

Transfer applicant must be in good standing at the last college attended. For admission consideration, the College of Liberal Arts & Social Sciences, the College of Communication, the College of Computing & Digital Cinema and the School of Theater require a 2.0 GPA based on transferable courses.

For admission consideration, the Driehaus College of Business, the College of Education and the School of Music require a 2.5 GPA.

Transfer applicants (under 24 years old) with fewer than 30 transferable semester hours should be qualified to meet freshman admission standards.

### **TRANSFER GUIDES **\*\*IMPORTANT INFORMATION\*\*****

The transfer course grids found on the last 5 pages of this guide are **only a sample** of the general education courses that transfer to DePaul and fulfill DePaul's general education requirements.

All students planning on transferring to DePaul University should consult the Transfer Guides created for Business, Communication, Computing & Digital Media, Education, Liberal Arts & Social Sciences and Science & Health. The transfer guides can be tailored to a specific major and contain major related requirements. These transfer guides are viewed in real time and are updated frequently.

### **RECOMMENDED COURSES**

Students attending an Illinois community college before transferring to DePaul are advised to take the following recommended courses as part of their associate of arts (AA) or associate of science (AS) degree. By completing your degree at an Illinois community college, most other liberal studies courses (DePaul's general education requirements) will automatically be completed through DePaul's participation in the Illinois articulation initiative (IAI).

<https://www.depaul.edu/admission-and-aid/types-of-admission/transfer-student/transferring-your-courses/pages/recommended-courses.aspx>

### **TRANSFER CREDIT**

Transfer of credit is awarded on a course-by-course basis. Up to 66 semester hours of transfer credit from two year schools is usable towards a DePaul degree (including CLEP, International Baccalaureate, and/or AP credits).

The last 60 quarter hours of a DePaul degree must be earned in residency at the university and at least half of the major field coursework must be DePaul University credit.

Grades of "D" are usable towards some degree requirements. Exceptions include ENG 101 and 102, any core business courses for the College of Commerce, and any major level courses, all of which must be earned with a C or better to meet degree requirements.

### **TRANSFEROLOGY**
