Articulation Agreement
Between
Eastern Illinois University
## And
(William Rainey) Harper College

(William Rainey) Harper College (HC) and the Board of Trustees of Eastern Illinois University (EIU) form a cooperative relationship through this articulation agreement to serve better our public constituents, to smooth transfer, to minimize duplication of instruction, and to build on community college and university learning experiences. Both institutions recognize that working together, their collective efforts are stronger than their individual efforts.

The two institutions agree to the following:

1. Any student who has completed a baccalaureate-oriented associates degree at HC consistent with the Illinois Articulation Initiative (with the required 2.00 GPA) and submits required application and supporting documentation will automatically be admitted to EIU at the junior level and will be deemed to have met EIU's lower-division general education requirement.

2. Acceptance into a specific EIU program is based on the individual transferring student meeting the conditions and considerations listed for that program. Specifically, students completing the **Web Development A.A.S. at HC** will be admitted to the baccalaureate **Digital Media Technology B.S.** at EIU.

3. The courses listed in the attached prescribed HC check sheet has been reviewed and accepted for transfer to EIU.

4. Relationships between HC and EIU faculty and administration are in the spirit of cooperation and provide the basis for this agreement

5. Representatives of both institutions agree to meet on a regular basis to assess curricular changes and other conditions that may affect the nature of this agreement.

6. This agreement does not preclude either institution from making curriculum changes as it may solely deem appropriate in which case appropriate prior notice will be given to the operative academic personnel at the cooperating institution.

7. Appropriate publications and promotional materials regarding this agreement will be made available to all HC students.

8. Either EIU or HC may dissolve this agreement by giving one years' advance notice to the cooperating institution's president or academic vice president.

9. This agreement is effective with the **2020-2021** academic year and is subject to renewal quadrennially.

This is a suggested course pattern. Students must work with their advisor to develop a curriculum plan that meets their scheduling needs. Summer classes can also reduce the load during the fall and spring semesters.
