THIS TRANSFER GUIDE CONTAINS IMPORTANT TRANSFER INFORMATION THAT CAN IMPACT A STUDENT’S ABILITY TO TRANSFER AND COMPLETE THEIR STUDIES IN A TIMELY MANNER.

The information on this sheet is subject to frequent change; students should contact the four-year school to keep informed of changes. Final responsibility for verifying all transfer information lies with the student.

TRANSFER OPTIONS
Complete AA or AS Degree
Students planning on transferring to Eastern Illinois University who complete the AA or AS* degree can benefit from the Illinois Articulation Initiative (IAI). By completing Harper’s 1998 or later AA or AS* degree with a 2.0 GPA in Groups 1-5, EIU’s general education requirements will be considered met. Individual majors may have additional prerequisites and/or requirements that are not covered by this agreement.

Transfer without completing AA or AS Degree
Students who choose to transfer prior to completing an AA or AS* degree can still benefit from Illinois Articulation Initiative (IAI) by completing Groups 1-5 of the AA or AS* with a cumulative 2.0 GPA. This completes the General Education Core Curriculum (GECC) which will meet EIU’s general education requirements.

Students who do not complete the AA or AS* or the GECC will need to meet EIU’s general education requirements. See the transfer grid on page 5 of this guide. Students who have earned 30 hours of transferable credit to EIU and are IAI eligible may have the option to complete the GECC after transfer, instead of EIU’S general education requirements. Students should check with an EIU advisor to determine the best option.

* On September 18, 2015 the Illinois Community College Board approved the changes to the AS degree. The changes are effective beginning with the 2016-2017 academic year. The new AS model requires fewer humanities and fine arts and social and behavioral sciences and requires additional mathematics and science. Effective the 2016/2017 catalog the AS will no longer include the IAI GECC package. Students who complete the AS degree will need to take the additional humanities and fine arts and social behavior science at EIU.
