ARTICULATION AGREEMENT

Between

Indiana Institute of Technology (Indiana Tech)

And

Harper College

For transfer of Harper College's Associate of Applied Science Accounting into Indiana Tech's Bachelor of Science in Accounting

Statement of Purpose

The purpose of this articulation agreement is to create a partnership between Indiana Tech and Harper College that will benefit students who wish to pursue a bachelor's degree. The intended outcome is for this articulation agreement to provide a seamless transition in transfer into the Bachelor of Science in Accounting degree at Indiana Tech.

Transfer Agreement

Starting in spring 2016, graduates of Harper College with an Associate of Applied Science in Accounting may transfer and apply a minimum of 63 and a maximum of 90 credits from that completed degree course requirements to Indiana Tech's Bachelor of Science in Accounting.

Addendum: Details the course equivalency matrix for this transfer agreement

Additionally under the terms of the agreement:

- 1. Harper College graduates are eligible for admission with junior standing to Indiana Tech provided that:
 - a. The student has completed a submitted application for admission to Indiana Tech
 - b. A minimum grade of "C" must be earned to be accepted for transfer and the student must have a minimum GPA of 2.0 on a 4.0 scale
- 2. As Harper College graduates complete the 123 credit hour requirement for the award of the Bachelor of Science in Accounting they must meet the graduation requirements as approved by Indiana Tech at the time of the student's admission to Indiana Tech.
- 3. Written notice of intent to terminate, modify, or withdraw from this articulation agreement will be submitted by the academic head of either institution at least one academic semester prior to the proposed date of termination/withdrawal. Should a decision be made to modify or dissolve this agreement, students who are already attending Indiana Tech at the time will be permitted to continue as long as their academic performance remains in good standing.

- 4. Recognizing that changes in curricula and course content are inevitable, each institution agrees to discuss with the other institution all curriculum changes affecting this agreement before changes are implemented.
- 5. A review of this agreement and the resulting degree programs will take place every two years by the representative from both institutions. If the agreement is not renewed, it will expire two years from the date it is agreed upon.

Agreed to March 2, 2016

Harper College

Judith Marwick, Ed.D.

Provost

Indiana Institute of Technology

John Shannon, Ph.D.

Vice President Academic Affairs

Jeffroy Zinmerman, PhD.
