THIS TRANSFER GUIDE CONTAINS IMPORTANT TRANSFER INFORMATION THAT CAN IMPACT A STUDENT'S ABILITY TO TRANSFER AND COMPLETE THEIR STUDIES IN A TIMELY MANNER.

The information on this sheet is subject to frequent change; students should contact the four-year school to keep informed of changes. Final responsibility for verifying all transfer information lies with the student.

TRANSFER OPTIONS

Complete AA or AS* Degree

Students planning on transferring to Northeastern Illinois University who complete the AA or AS degree can benefit from the Illinois Articulation Initiative (IAI). By completing Harper's 1998 or later AA or AS degree with a 2.0 GPA in Groups 1-5, NEIU's general education requirements will be considered met.

Individual majors may have additional prerequisites and/or requirements that are not covered by this agreement.

Transfer without completing AA or AS* Degree

Students who choose to transfer prior to completing an AA or AS degree can still benefit from Illinois Articulation Initiative (IAI) by completing Groups 1-5 of the AA or AS with a cumulative 2.0 GPA. This completes the General Education Core Curriculum (GECC) which will meet NEIU's general education requirements.

Students who do not complete the AA or AS* or the GECC will need to meet NEIU's general education requirements. See the transfer grid on page 3 of this guide.

* On September 18, 2015 the Illinois Community College Board approved the changes to the AS degree. The changes are effective beginning with the 2016-2017 academic year. The new AS model requires fewer humanities and fine arts and social and behavioral sciences and requires additional mathematics and science. Effective the 2016/2017 catalog the AS will no longer include the IAI GECC package. Students who complete the AS degree will need to take the additional humanities and fine arts and social behavior science at NEIU.

ADMISSION REQUIREMENTS FOR TRANSFER STUDENTS

- Applicants must have an overall 2.0 GPA in all course work attempted and be in good standing at the last school attended full-time.
- Students with less than 24 semester hours of college credit must also meet freshman admission requirements.

ADDITION INFORMATION FOR BUSINESS AND EDUCATION MAJORS

Students planning on majoring in Business or Education should consult the Business Packet or the Education Packet found at www.harpercollege.edu/transfer for additional transfer requirements.

A student may use no more than 6 hours of "D" to meet the distribution area requirements (Fine Arts, Humanities, Behavioral/Social Sciences, and Natural Sciences). Transfer credit from two-year colleges is limited to 64 semester hours.

CALCULATION OF ADMISSION GRADE POINT AVERAGE

In the case where a repeated course is one, which the student failed initially, the "F" grade will not be counted in the GPA.
