

**University of Illinois at Chicago**  
**ARCHITECTURE, DESIGN AND THE ARTS**  
TRANSFER GUIDE  
2019-2020

Tuition: \$14,870 - \$17,510 per year  
Room & Board: \$10,200 per year  
Enrollment: 31,683

Chicago, IL 60680  
312-996-4350  
[www.uic.edu](http://www.uic.edu)

**THIS TRANSFER GUIDE CONTAINS IMPORTANT TRANSFER INFORMATION THAT CAN IMPACT A STUDENT'S ABILITY TO TRANSFER AND COMPLETE THEIR STUDIES IN A TIMELY MANNER.**

*The information on this sheet is subject to frequent change; students should contact the four-year school to keep informed of changes. Final responsibility for verifying all transfer information lies with the student.*

#### **SCHOOL OF ARCHITECTURE**

The School of Architecture at UIC has two undergraduate programs **Bachelor of Arts in Architectural Studies** and a **Bachelor of Science in Architecture**.

The **Bachelor of Arts in Architectural Studies** is an upper-level undergraduate major that uses architecture and related design practices as a lens through which to understand the history of ideas and cultural invention. In addition, it exposes students to the synthetic environment of the design studio, providing an introductory experience that some students may wish to pursue later in graduate education. The program operates as a two-year junior and senior program. It will admit undergraduate students having completed two years of college, either at UIC or at other institutions. The Bachelor of Arts in Architectural Studies program is designed to provide graduating students with everything they would need to prepare an application that would be favorably received by three year Master of Architecture (MArch) programs.

The four-year **Bachelor of Science in Architecture** program is a comprehensive pre-professional education in architecture within the broader context of liberal arts study provided by the University. Consisting of an eight-semester studio sequence in architecture and urbanism supported by coursework in technology and theory, the program provides an intensive introduction to the discipline of architecture. This program requires three to four years to complete regardless of when a student enters or how many credit hours they transfer in.

Both programs require a minimum GPA of 2.75 to be considered, and **only admits students in the fall**. However, since admission is competitive most students with a GPA below 3.0 are not admitted. The average GPA of admitted students is 2.80 to 3.50.

Applicants to both programs are recommended to have the following courses done at the time of application:

- ENG 101 and ENG 102
- one Understanding the Creative Arts course
- one Understanding the Individual and Society course
- one Understanding U.S. Society course

In addition to the above, **Bachelor of Arts in Architectural Studies** applicants are recommended to have the following courses completed:

- ART 130, ART 131 and ART 132
- MTH 140
- one Analyzing the Natural World course
- one Understanding the Past course
- one Exploring World Cultures course

In addition to the above, **Bachelor of Science in Architecture** applicants are recommended to have the following courses completed:

- PHY 121
- MTH 200
- ART 130, ART 131 and ART 132
- one Understanding the Past course
- one Exploring World Cultures course

The **Bachelor of Science in Architecture** also requires a portfolio submission.

#### Portfolio Requirements

Only those transfer applicants who seek advanced placement in the undergraduate architecture studio sequence are required to submit a portfolio of creative work as part of their application to the Bachelor of Science in Architecture program.

Please visit <https://arch.uic.edu/portfolio-requirements> for full portfolio requirements, including content and format.

#### **SCHOOL OF ART & ART HISTORY**

The School of Art & Art History requires a minimum GPA of 2.75. Admission is competitive and average GPA for admitted students is 2.80 to 3.50.

The following courses should be done at the time of application:

- ENG 101 and ENG 102
- one Understanding the Creative Arts course
- one Understanding the Individual and Society course
- one Understanding U.S. Society course

Admission decisions are based on GPA from transfer institution, personal statement, and recommendation letters. All students (freshman and transfer) must pass a portfolio review prior to starting their major.

Due to the complexity of the curriculum students are encouraged to concentrate on their general education requirements at Harper. If a student wishes to start taking Art courses at Harper **only ART 110, 111, 130, 131, 132 and 296 are recommended to be completed prior to transfer.**

**Students should plan to transfer as soon as they meet the admission requirements.**

#### **FOREIGN LANGUAGE** (Art History only)

A reading knowledge of a foreign language is required, normally the language should be attained by the end of the junior year. The requirement may be met by four years of high school language courses, or two years of college language courses, or passing a proficiency examination.

#### **SCHOOL OF DESIGN**

The School of Design requires a minimum GPA of 2.75. Admission is competitive and average GPA for admitted students is 2.80 to 3.50.

The following courses should be done at the time of application:

- ENG 101 and ENG 102
- one Understanding the Creative Arts course
- one Understanding the Individual and Society course
- one Understanding U.S. Society course

Due to the complexity of the curriculum students are encouraged to concentrate on their general education requirements at Harper. If a student wishes to start taking Art courses at Harper **only ART 110, 111, 130, 131, 132 and 296 are recommended to be completed prior to transfer.**

**Students should plan to transfer as soon as they meet the admission requirements.**

#### **TAG (Transfer Admission Guarantee)**

Transfer Admission Guarantee (TAG) – The TAG Program offers guaranteed admission into select undergraduate majors in the College of Architecture, Design and the Arts. Students who actively participate in the TAG Program receive advising and benefits that exceed those of a regular transfer student and a guaranteed admission opportunity.

For detailed information, see your Harper academic advisor refer to this website:

<http://tag.uic.edu>.

- Apply for TAG participation no later than the first two weeks of your final year at Harper
- Earn a minimum transfer GPA of 3.00 overall and in required major preparation courses
- Successfully complete the Harper equivalent of required courses
- Transfer to UIC within three years of signing the TAG participation form
- Meet with the Harper TAG representative and create a Transferology account (see <http://tag.uic.edu> for details)
- Apply to UIC in either February or September depending upon the semester you plan to enter UIC

Note: If you do not wish to be a TAG participant or do not qualify, UIC welcomes a regular transfer application.

### **TRANSFEROLOGY**

Students interested in transferring to UIC should utilize Transferology to see how their courses will transfer and also to plan any future courses accordingly. Transferology can be accessed at [www.transferology.com](http://www.transferology.com). If you need assistance using Transferology please stop by Advising Services in Building A, Room A-364 or call 847-925-6220.

### **TRANSFER CREDITS**

Transfer credit for art or architecture related courses are done by portfolio; there are no automatic equivalencies. Transfer credit is awarded on a course-by-course basis. A maximum of 60 semester hours from a community college may be applied toward a bachelor's degree.

UIC is a participant in the Illinois Articulation Initiative (IAI). Students who complete the AA or AS degree prior to transfer or who complete the IAI GECC should make sure to inform their advisor at UIC.

### **CALCULATION OF ADMISSION GRADE POINT AVERAGE**

Grades for all baccalaureate-oriented course work attempted is used in computing the transfer GPA. However, a particular school or college may not accept all courses toward a degree and may delete credits and grades for such courses.

### **APPLICATION**

Effective with the Fall 2013 application UIC has begun to use the Common Application: <https://www.commonapp.org/>  
The Common Application is used for Freshman only.

Transfer students should use the UIC Web Application: <https://applynow.uic.edu/apply/>

### **APPLICATION DEADLINES**

Spring:           October 15<sup>th</sup>  
                          July 15<sup>th</sup> for International Students

Fall:                April 1<sup>st</sup>  
                          January 15<sup>th</sup> for International Students

The majority of the programs in the College of Architecture, Design and the Arts **only** admit for the fall semester. Art History, Theater and Music students may apply for either spring or fall semester.

### **TRANSFER SCHOLARSHIPS**

#### *PHI THETA KAPPA SCHOLARSHIP*

Each fall and spring the Honors College awards the Phi Theta Kappa Scholarship, a one-time, one-semester tuition waiver, to new Honors College transfer students. Transfer students to the college who are members of Phi Theta Kappa, the community college honor society, have a minimum of a 3.5 transfer GPA, and are enrolled for at least 12 credit hours during the fall term are eligible to apply. This scholarship is competitive and not all eligible students will receive an award.

#### *TRANSFER MERIT TUITION AWARD*

The UIC Transfer Merit Tuition Awards are given on a competitive basis to new transfer students each fall and spring. Applicants must be enrolled in a baccalaureate degree program, have a minimum transfer GPA of 3.25 on a minimum of 45 transfer credits, and be enrolled for at least 12 credit hours. A written statement outlining your educational and career goals and how you have financed your education thus far and a copy of financial aid awards statement should be submitted along with a completed application.

### **HOW TO USE THIS TRANSFER GUIDE**

The following pages list course work for the College of Architecture, Art, and Urban Planning at the University of Illinois at Chicago. Included are areas of study, number of courses required in each, and Harper courses that will transfer to UIC and meet these various requirements.
