APPLIED HEALTH SCIENCES
TRANSFER GUIDE
2021-2022

Tuition: \$16,866 – \$21,960 per year
Room & Board: \$12,494 per year
Enrollment: 47,000

Urbana, IL 61801
217-333-0302 (Admissions)
217-333-1000 (Directory)
<http://illinois.edu>

THIS TRANSFER GUIDE CONTAINS IMPORTANT TRANSFER INFORMATION THAT CAN IMPACT A STUDENT'S ABILITY TO TRANSFER AND COMPLETE THEIR STUDIES IN A TIMELY MANNER.

The information on this sheet is subject to frequent change; students should contact the four-year school to keep informed of changes. Final responsibility for verifying all transfer information lies with the student.

TRANSFER OPTIONS

Complete AA or AS* Degree

Students planning on transferring to the University of Illinois at Urbana-Champaign who complete the AA or AS* degree can benefit from the Illinois Articulation Initiative (IAI). By completing Harper's 1998 or later AA or AS* degree with a 2.0 GPA in Groups 1-5, UIUC's general education requirements will be considered met.

Individual majors may have additional prerequisites and/or requirements that are not covered by this agreement.

Transfer without completing AA or AS* Degree

Students who choose to transfer prior to completing an AA or AS* degree can still benefit from Illinois Articulation Initiative (IAI) by completing Groups 1-5 of the AA or AS* with a cumulative 2.0 GPA. This completes the IAI General Education Core Curriculum (IAI GECC) which will meet UIUC's general education requirements.

Students who do not complete the AA or AS* or the IAI GECC will need to meet UIUC's general education requirements. See the transfer grid on page 5 of this guide

* On September 18, 2015 the Illinois Community College Board approved the changes to the AS degree. The changes are effective beginning with the 2016-2017 academic year. The new AS model requires fewer humanities and fine arts and social and behavioral sciences and requires additional mathematics and science. Effective the 2016/2017 catalog the AS will no longer include the IAI GECC package. Students who complete the AS degree will need to make sure to meet UIUC's general education requirements.

GENERAL ADMISSION GUIDELINES

Admission of transfer applicants is based on a combination of the hours and content of transferable credit and the transfer GPA.

Most transfer programs also require the completion of prerequisite coursework prior to enrollment. The Transfer Handbook lists all such requirements by programs of study. Detailed transfer course information is available on the UIUC Admissions web site (<http://illinois.edu/admissions/index.html>) to help you determine the transferability of any coursework.

If the number of qualified applicants to a college or curriculum exceeds the admissions quota, those best qualified will be admitted, and preference may be given to Illinois residents. Lower-division (sophomore) transfer applicants (students with less than 60 transferable semester hours) may be restricted when space is limited.

Applicants are also required to answer an essay question on the application:

- **Essay:** In 300 words or less, describe how your academic interest and/or professional goals will be fulfilled in your intended program of study at Illinois. If you're applying to the Division of General Studies, explain your academic

interests and strengths or your future career goals. You may include any majors or areas of study you are currently considering.

ADMISSION DECISION FACTORS

Admission of transfer applicants is based on a combination of the hours and content of transferable credit and the transfer GPA. Admission of sophomore applicants is based on a combination of college and high school credentials, including ACT/SAT scores.

The following factors are considered in an admission decision:

- Course prerequisites for specific program
- Transferable cumulative GPA and sometimes a technical GPA
- Number of transferable credit hours required for specific program
- Additional information supplied in your application essays
- High school performance and ACT/SAT scores will be reviewed if you are applying with less than 30 graded transferable college credit hours at the time of review

The University of Illinois at Urbana-Champaign considers transfer students for admission at either the sophomore or junior level. The specific requirements for each level are listed below.

ADMISSION REQUIREMENTS

Admission requirements vary by College and Department at the University and are based on the number of credit hours the student has completed prior to transfer.

Students should consult the Transfer Handbook to verify the latest transfer admissions requirements:

<http://admissions.illinois.edu/apply/Transfer/handbook>

TRANSFEROLOGY

Since the admissions process can be quite complex students interested in the University of Illinois at Urbana-Champaign should create a Transferology account at www.transferology.com to view how courses transfer and to help plan their coursework prior to transfer.

FOREIGN LANGUAGE REQUIREMENT (for Junior admission)

Although the specific foreign language requirements listed below are for students applying with 60 credit hours completed, all students should make every attempt to complete the foreign language graduation requirement prior to transfer.

For Admission:

- Foreign language is not required for admission by the College of Applied Health Sciences but it is still highly recommended that students complete the graduation requirement prior to transferring to the University of Illinois

For graduation:

- Completion through the **third year** of one language other than English in high school **OR**
- Through the **third level** (3 semesters) of one language other than English in college.

If this college's Language Requirement for graduation has been completed, additional transferable coursework should replace each of the Language Requirement courses listed below. Consultation with the transfer institution's advising staff is strongly recommended.

TRANSFER CREDIT

Transfer credit is awarded on a course-by-course basis.

UIUC participates in the Illinois Articulation Initiative (IAI) Transferable General Education Core Curriculum. See a Harper advisor for details.

CALCULATION OF ADMISSION GRADE POINT AVERAGE

All grades for repeated courses are used in calculating the admission GPA. Grades from all transferable coursework attempted will be averaged together.

APPLICATION DEADLINES

Spring: October 15 (decision in mid-December)

Fall Priority: February 1

Fall: March 1 (decision in mid-April)

General Education Requirements for the College of Applied Health Sciences at the University of Illinois at Urbana-Champaign

The chart below is a **sample** of Harper courses and how they fulfill the general education requirements at the University of Illinois at Urbana-Champaign. Please verify all course selections at www.transferology.com. Students beginning college summer 1998 or later and who transfer with Harper's AA or AS (1998-2015) or the IAI General Education Core (Groups 1-5) complete, must still fulfill the requirements in gray.

AREA	# OF HOURS REQUIRED	EQUIVALENT HARPER COURSES
Composition I	6	ENG 101 and 102
Advanced Composition	3	Must be taken at UIUC
Cultural Studies: Western Cultures <i>Courses that appear in the Western Cultures, Non-Western Cultures and U.S. Minority Cultures can only be used in one category</i>	3	ANT 101, 202; HST 111, 112, 141, 142, 151, 152; HUM 101, 102, 120 LIT 206, 207, 221, 222, 231, 232;
Cultural Studies: Non-Western Cultures <i>Courses that appear in the Western Cultures, Non-Western Cultures and U.S. Minority Cultures can only be used in one category</i>	3	ANT 101, 202, 203, 207; GEG 103; HUM 103, 104, 106, 107; HST 231, 232, 241, 242, 243; LIT 208; PHI 160, 205; PSC 280
Cultural Studies: US Minority Cultures <i>Courses that appear in the Western Cultures, Non-Western Cultures and U.S. Minority Cultures can only be used in one category</i>	3	HST 214; LIT 223
Humanities & the Arts- <i>Courses in this category are placed into two subcategories: Historical & Philosophical Perspectives and Literature & the Arts. Students must take at least one course from each subcategory.</i>	6	Historical & Philosophical Perspectives: ANT 208; HST 105, 111, 112, 121, 141, 142, 151, 152, 210, 214, 219, 231, 232, 243, 245; HUM 101, 104, 105, 107; PHI 101 OR 102; 105, 115, 160, 180, 205, 215, 220, 231, 232 Literature & the Arts: ART 105, 114, 130, 131, 132, 133; FRN 210; GER 210; HUM 101, 102, 103, 110, 120; LIT 105, 110, 112, 115, 206, 207, 208, 210, 221, 222, 223, 224, 231, 232, 241; MCM 200; MUS 103, 104, 120; SPA 210
Language- <i>UIUC strongly encourages transfer students to complete the Foreign Language graduation requirement prior to transfer. For this UIUC college the graduation requirement is satisfied by completion through the third year of one language other than English in high school or through the third level (3 semesters) of one language other than English in college.</i>	varies	ARB 101, 102, 201, 202; FRN 101, 102, 201, 202; GER 101, 102, 201, 202; SPA 101, 102, 201, 202; JPN 101, 102, 201, 202
Natural Sciences & Technology - <i>Courses in this category are placed into two subcategories: Physical and Life Sciences. All the courses listed in these two subcategories satisfy the Natural Sciences & Technologies requirement.</i>	6	Physical Science: AST 100, 101, 112, 115, 201; CHM 100, 103, 105, 110, 121, 122; GEG 111, 112; GEO 101, 102, 103; PHS 101, 105, 111, 112, 115; PHY 100, 121, 122, 201, 202, 203 Life Science: BIO 101, 103 OR 104, 105, 110, 115, 116, 120, 130, 135, 136, 140, 150; DIT 101; PSY 220
Quantitative Reasoning I - <i>Students must complete both a Quantitative Reasoning I and II. To fulfill Quantitative Reasoning II, students may take a second Quantitative Reasoning I course, or a Quantitative Reasoning II course.</i>	1	Quantitative Reasoning I: CSC 122 or 214; MTH 101, 124, 131, 134, 140, 165, 200, 201, 225
Quantitative Reasoning II - <i>Students must complete both a Quantitative Reasoning I and II. To fulfill Quantitative Reasoning II, students may take a second Quantitative Reasoning I course, or a Quantitative Reasoning II course.</i>	1	Quantitative Reasoning II: AST 115, 201; CSC 121 or CSC 208; CSC 216; MTH 202, 220; PHS 115; PHY 121, 122, 201, 202, 203
Social & Behavioral Sciences	6	ANT 101, 202; ECO 200, 211, 212; GEG 100, 101, 103, 104, 210; HED 200, 204, 206; PHI 190; PSC 101, 220, 250, 270, 280; PSY 101, 217, 218, 228; SOC 101, 120, 205, 215, 230, 235

PROGRAMS OF STUDY AT THE UNIVERSITY OF ILLINOIS AT URBANA-CHAMPAIGN

College of Agricultural, Consumer, & Environmental Sciences (ACES)

Agricultural Leadership and Science Education
Agricultural and Biological Engineering
Agricultural Science
Agricultural and Consumer Economics
Animal Sciences
Crop Science
Food Science and Human Nutrition
Horticulture
Human Development and Family Studies
Natural Resources and Environmental Sciences
