## Business Administration Bachelor's Degree Completion at Harper University Center

As a partner of the Harper University Center, DePaul University is offering the opportunity for students earning an Associate of Arts, Associate of Applied Science in Business or with equivalent credit hours the ability to complete the BAPS in Business Administration on-site at Harper College. This degree is offered through DePaul University's School of Continuing and Professional Studies (SPCPS), a long-standing leader of providing educational opportunities for working adults.

Benefits of this program include:

- **Discounted tuition rate, 25% lower than the university's undergraduate tuition**
- **Courses taught by DePaul faculty both on-site at the Harper University Center in Palatine, IL and online**
- **Flexibility to complete your bachelor's degree on either a part-time or full-time schedule**
- **A cohort model for taking courses, allowing you to establish a network that you'll carry throughout your career**
- **Dedicated advising from SCPS to provide support as you balance work, home and school demands**

DePaul's B.A. in Professional Studies with a major in Business Administration builds knowledge and skills for employment in corporate and nonprofit settings. In this program, you will build a skill set in project management, human resources, risk management, leadership, workplace law, globalization, ethical conduct, data analytics and professional communication needed to succeed in your career.

Cohorts officially begin each Fall quarter (September) with early-start options available for interested students
